PRIMANTI

GARDEN ESTATE

THE NEW LUXURY

Welcome to Primanti Garden Estate.
Premium residences in a parkland setting at
Southern Peripheral Road, Gurgaon.

LIFE IN A VERDANT
GARDEN ESTATE.
IT GIVES LUXURY A WHOLE
NEW MEANING.

Imagine life in a place where tree-lined boulevards wind their way through lush, wooded parks. Where picturesque pergolas and waterbodies, dappled with sunlight and shade, glimmer through the trees. And 80% of the property is open space that shelters and nurtures residents.

Primanti is designed around a series of interconnected orchards, meadows and gardens that span sinuously across the development. The rich flora forms dramatic patterns with stone structures and water features, inspired by Delhi's Mughal gardens.

Ensnconced within this garden estate are premium apartments and duplexes, with courtyards, open terraces and private gardens. Green spaces meander from residential areas through manicured lawns to the luxurious clubhouse and spa, inviting residents to spend more time outdoors.

Discover a home where modern architecture merges seamlessly with the natural landscape. A retreat for the senses, within the city.

THE ESSENCE OF LIFE AT PRIMANTI GARDEN ESTATE: A CENTRAL PARK WITH UNTOLD EXPERIENCES.

At the heart of Primanti Garden Estate is a private central park – a lush green zone around which premium residences are built.

A shaded, sinuous central walkway divides the park into a series of spaces, each offering its own unique experience. A reflective pool and water-wall form a contemplative focal point that invites residents to pause and enjoy the outdoors. Orchard groves, planted with flowering and fruiting native trees, provide seasonal interest and colour. Sheltering tea pavilions become spaces for socialising and rejuvenating amid nature.

The central park offers residents a visual respite with views of greenery, while revealing unexpected experiences as you explore its idyllic environs.

THE DEVELOPERS

TATA HOUSING

Established in 1984, Tata Housing Development Company Ltd. is a fully owned subsidiary of Tata Sons Limited. Tata Housing has stood out in the industry with its ethical business practices, rapidly acquiring a public image of a reliable, quality conscious developer. Every conceptualised project is designed and implemented in association with architects and landscape designers who are the best in the business. On-time delivery, low operating costs and an international standard of design has led to various accolades, including the prestigious Asia Pacific Property Award, 2009.

GREEN HOMES INITIATIVE: BUILDING HOMES, PRESERVING THE ENVIRONMENT.

At Tata Housing, we aim to create a clean, sustainable environment for our residents after careful consideration of the following parameters: energy and water conservation, site selection, indoor air quality and the use of environment-friendly materials.

These parameters are in strict accordance with the Indian Green Building Council (IGBC).

Tata Housing's foray into green buildings began with Xylem – Bengaluru's first green IT park – which was awarded a Gold LEED rating by USGBC. The group has since had many residential projects, like Raisina Residency in Gurgaon (awarded a Gold Pre-Certification from the Indian Green Building Council).
