3 LIFESTYLE PARTNERS

CONVENIENCE AND ENTERTAINMENT TIE-UPS

We have partnered with the best to provide you the perfect blend of the old and new experiences offered by Bangalore, right from the comfort of your home.

A man and a woman are sitting at a wooden table in an outdoor cafe. The man, wearing a salmon-colored polo shirt, is leaning towards the woman, who is wearing a teal dress and has a large orange hibiscus flower in her hair. They are both smiling warmly at each other. On the table in front of them are several items: a white hat, a plate of pastries, a white coffee cup, and a small glass bottle of red juice. The background is a lush, green outdoor setting with other people seated at tables, slightly out of focus.

LEISURE AND CONVENIENCES

At Godrej Eternity your daily needs will only be a walk away with exclusive lifestyle partners like **Nilgiris Supermarket**, **JustBooks Library** and **Cafe**.

HEALTH AND FITNESS

Staying healthy and fit will never be this easy. With Apollo Pharmacy, Omegaa Diagnostics & certified trainers at Snap Fitness Gym, your family will always be in their prime of health and fitness.

FUEL YOUR PASSIONS

ECO-FRIENDLY ENDEAVOURS

Taking nature and progress hand in hand, homes at Godrej Eternity are built to love nature. Godrej Properties follow stringent construction norms that make sure there is no damage to the ecosystem as preserving before progressing is the mantra for us which is why our every project displays green awareness features and is registered with IGBC.

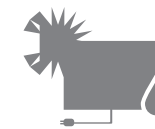

RAINWATER HARVESTING SYSTEM

It saves more natural water for future use and vastly improves water sustainability.

WATER EFFICIENT FIXTURES

This simple addition ensures that water consumption is optimised and water bills are reduced.

SOLAR PHOTOVOLTAIC SYSTEM

The system makes use of solar energy, thereby reducing electricity bills. Use of materials with high reflectivity.

RECYCLED CONSTRUCTION MATERIALS

Recycled and locally produced materials are used with CFC free equipment to reduce carbon dioxide emissions and the negative impact on the environment

GREY WATER TREATMENT

Used water is treated and safely reused, thus reducing the use of new water.

SMART LIGHTING

CFLs and LEDs are used in external and common lighting areas to promote low electricity consumption.

HEALTH-SAFE PAINTS AND ADHESIVES

Low Volatile Organic Compound (VOC) paints, adhesives and sealants for interior fixtures ensure your health and safety. Use of CFC free equipments.

WASTE SEGREGATION SYSTEM

Wet and dry waste management ensures that waste is handled in an eco-friendly manner.
