Who can I refer if I've signed up in more than one country from multiple regions?

Since you've signed up for the program in more than one country, you can refer customers that reside in any of the [countries listed](#) under the corresponding regions: "Americas" or "Asia Pacific" and "Europe."

For example: If you signed up in the US and India, you can refer customers in that reside in the countries listed under the "Americas" region (Argentina, Brazil, Canada, Chile, Colombia, Mexico or Peru) using your US referral link.

You can also refer customers that reside in the countries listed under the "Asia Pacific" region (Australia, Hong Kong, India, Japan, New Zealand, and Singapore) using your India referral link.

Who can I refer if I've signed up in more than one country from the same region?

You can refer customers only within that [same region](#).

For example: If you signed up in the US and Chile, you can only refer customers that reside in the countries listed under the "Americas" region (Argentina, Brazil, Canada, Chile, Colombia, Mexico or Peru).

How much can I earn?

When someone signs up for Google Workspace using your referral link, you'll earn a referral bonus for each of their first 100 users. There is no limit to the number of referrals you can make, so you can refer those in your network as often as you like.

Your referral bonus will be based on the country where your referral resides. The bonus will be deposited directly into your bank account according to the amount and currency listed on this [webpage](#). Check with your bank to be aware of any currency exchange fees that may apply.

What are my next steps?

These changes are effective today, so you don't need to take any further action. You just simply need a bank account from the country you signed up to receive your direct bank deposits. If you've already given us your bank account information, you're all set to refer.

How can I refer in another region?

If you'd like to refer in multiple regions, [sign up](#) for the Google Workspace Referral Programme under your desired country. To receive your referral bonus, you'll need one bank account within each region you've signed up in.

How do I earn coupons in these new countries?

Feel free to [email us](#) if you need 10% off coupons to give to your customers in these new countries.

Still have more questions?

Send us an [email](#) and we will get back to you as soon as possible.
