Dear Friend,
I have been working with Kent Clothier and his 1-800-SELL-NOW team for several years and we have developed an extensive collection of marketing materials exclusively for 1-800-SELL-NOW Licensees. I can tell you that Licensees who use these materials, along with Kent's strategies, see dramatic increases in their success.
As an extra incentive to encourage you to try out a territory, I will give you a 25% discount off our already discounted prices for any marketing item or mailing campaign you do in the first 3 months as a licensee.
