Good afternoon, Mr. Lawrence.

Thank you so much for your research interest in the field of agriculture.

Regarding your request, you may access our data on statistics on rice production for the whole province of Bataan which can be accessed here: Estimated production, area harvested and yield per hectare

(PAY): <https://palaystat.philrice.gov.ph/statistics/retrieve/table/1>

You may visit the other pages of the PalayStat System for other rice-related data on Bataan at: [palaystat.philrice.gov.ph](http://palaystat.philrice.gov.ph).

However, we don't have any data regarding local rice industry statistics on a municipal/city level.

You may also try to contact the Provincial Agriculture Office (PAO) of Bataan for your request, contact the Philippine Statistics Authority or visit the PSA's OpenStat website

at: <https://openstat.psa.gov.ph/Database/Agriculture-Forestry-Fisheries>

For the list of possible funding agencies that can fund a Rice Production Facility with Livelihood Center, you may consider the following public and private organizations below:
