Dear **Mr. Gernan**:

This is with reference to your request through the FOI portal requesting for the 10 year load profile and the detail current load forecast of Batanes under ERC Tracking Numbers: #124876260355; #223154805467; #269003312810; #532017352884; #927038564944; #994938520124 and #376187833247.

Please be informed that Batanes is within the franchise area of Batanes Electric Cooperative, Inc. (BATANELCO), which is an off-grid utility, meaning the main power supply is the National Power Corporation (NPC).

We regret to inform you that we do not have a copy of the requested BATANELCO's 10-year load forecast. Hence, we can only provide you the available kWh sales of BATANELCO for CY 2013 to 2021.

For your guidance and information. Thank you.
