Office of the Secretary of the University

EXCERPT FROM THE MINUTES

*181st Board of Regents Meeting / Second Quarter 2020 Regular Meeting
16 July 2020 via Zoom*

NEW BUSINESS: ACADEMIC MATTERS

All items under Academic Matters were presented by Dr. Bonifacio G. Gabales, Jr., Vice President for Academic Affairs.

He informed the Board on the review process done by the University for these Curriculum Proposals.

He also explained that the main curriculum revisions was due to the changes in the Filipino courses in the General Education.

Due to time constraints, the Board Chair decided to forego with the full presentation of the proposals one by one and instead sought the comments/feedback from the CHED-XI Director, Dr. Maricar R. Casquejo.

Dr. Casquejo reported that her Office has reviewed the proposal and is endorsing these proposals since USEP has complied with the minimum requirements. She also mentioned that her Office has already released CHED notations to these proposals except for:

1. Bachelor of Science in Industrial Technology (BSIndTech), and
2. Bachelor of Science in Agricultural and Biosystems Engineering (BSABE).

She mentioned that for these two programs, there is a need to submit the proposal to CHED Central Office in the Office of Programs and Standards Development (OPSD).

On the new proposals, she also reported that CHED-XI will still have to forward the documents of USEP for the Doctor of Medicine (MD) Program to the CHED Central Office.

The Board will endorse the Doctor of Medicine (MD) Program but will just have to wait for the report of the CHED Technical Panel after evaluating the application of USEP to offer the Doctor of Medicine (MD) Program.

After the presentation, Regent Sales raised a suggestion as a matter of policy or procedure requiring CHED-XI for a formal communication endorsing to the Board their evaluation to the revisions of the proposals as part of the supporting documents to be attached in the agenda folder.

To this Dr. Casquejo affirmed that there is a formal document on the evaluation of the proposals in CHED-XI Office. The Board Chair instructed Dr. Casquejo that such document will become part of the documentation of these agenda items.

B. Revisions of Curriculum without CHED Notation

11. Bachelor of Science in Industrial Technology (BSIndTech), Major in:
 - a. Automotive Technology
 - b. Electrical Technology
 - c. Electronics Technology
 - d. Mechanical Technology

12. Bachelor of Science in Agricultural and Biosystems Engineering (BSABE), Major in:
 - a. AB Land and Water Resources Engineering
 - b. AB Machinery and Power Engineering
 - c. AB Process Engineering
 - d. AB Structures and Environment Engineering
