Apocynaceae	<i>Wrightia pubescens</i>	Lanete	I	23						13			6						11	255
Araliaceae	<i>Polyscias nodosa</i>	Malapapaya	I	25												1			5	93
Araliaceae	<i>Schefflera actinophylla</i>	Octopus tree	Ex	24		1	4	33	5	1	6		2	8	5		6	18	26	19

¹ Not yet seen flowering/fruiting at U.P. Campus by the author.

² Bauhinia spp. were counted as one species due to absence of flower during the inventory.

³ Pterocarpus spp. were counted as one species due to absence of fruit during the inventory.

⁴ Eucalyptus camaldalensis and E. globulus were counted as one due to absence of flower /fruit.

Legend: EX - Introduced/Exotic (121)

I - Indigenous (83)

E - Endemic (16)
