Dear Madam;

In response to your request for the data for the number of nullity and annulment cases in the Philippines for the period November 27, 2020 to November 27, 2021, we respectfully submit that total number of reported cases of nullity and annulment received by OSG from said period is 28,092 cases.

Please note that the said figures provided is based only on our case management database system generated report and we cannot ensure the accuracy of the said report. A working legal knowledge on marriage cases and certain amount of time and resources is needed before a definitive figure can be attained, similar to what you are requesting.

Nevertheless, we are providing you with whatever data we have on the limited time frame our office has to respond to your query.

We hope this will assist you in whatever research you are conducting. We reiterate, however, that the data provided is, by no means, conclusive.

Thank you.

Sincerely,

JAYVIE NIEL MALICK S. MALICDEM
