Dear NCIP Pampanga and Botolan Zambales,

We would want to inquire about the progress of our FPIC applications in Porac, Pampanga and Botolan, Zambales. We've been asking your permission over a year now. There is still no response. As you can see, our initiative is supported by PCHRD, a government agency, and they have requested that we submit a status report. I'm hoping you'll be able to provide us with an updated status report on this critical request.
