2. Master of Education major in Alternative Learning Systems (MEDALS)

The Honorable Chair commented that this is a very good program provided this is not handled traditionally in terms of methodology, instruction and the learning materials used. Since this is an alternative learning, the Honorable Chair proposed a more relevant learning delivery, in the curriculum design, and the materials developed for the learners.

The Board passed

**RESOLUTION NO. 3654 S. 2006**

**RESOLVED THAT THE PROPOSAL TO OFFER MASTER OF EDUCATION MAJOR IN ALTERNATIVE LEARNING SYSTEMS (MEDALS) BE HEREBY APPROVED.**
