Los Lunas

TRADE AREA ANALYSIS

LOS LUNAS | NEW MEXICO

Over the past 40 years, Los Lunas has had a population increase of more than a thousand percent making it one of the fastest-growing communities in New Mexico. This is due in part to the ease of doing business. Not only do they offer competitive incentives, but proudly boast a fast, 2-4-week maximum approval process for commercial and residential plans as well as building permits. Just ask Facebook, Amazon, Niagara Bottling, Wall Colmonoy, Accurate Machine & Tool or any of our other economic-base companies and national retailers. Los Lunas is a small community but with more than 2,000 acres of available commercial land across three business parks with direct access to two major interstates, there are big possibilities on the horizon.
