Notes

Wyoming Office Park is a well-maintained and well-managed, four-building office park featuring a diverse mix of professional, dental, and medical tenants. Situated in the highly sought-after Paseo Del Norte corridor, the park offers excellent east/west access via Paseo Del Norte and I-25, and convenient north/south access via Wyoming Boulevard. Most areas of Albuquerque are within a 15-minute drive. The property includes ample shared parking with a ratio of 4.5 spaces per 1,000 square feet. Many amenities, such as restaurants and shops, are within walking distance. Additionally, the park provides stunning views of the Sandia Mountains to the east and the West Mesa. The surrounding area's demographics are among the strongest in Albuquerque, with high income levels and a growing population within a 1-mile radius.

Property owner is in the process of creating condominium units throughout Wyoming Business Park. Upon closing the building will be conveyed as three (3) condo units (i.e. Suite A, Suite B, & Suite C), giving a new owner the flexibility to retain all 3 units, lease any of the units, or sell any of the units.
