

BEAUSOLEIL

Your dream home in the high desert awaits

Welcome to Beausoleil! Custom-build on your exclusive homesite in a community featuring unrivaled Sangre mountain views, 40 acres of green common grounds and easy access to skiing, dining, shopping and the airport - everything Taos has to offer.

27 of the 36 lots remain available in this 400 acre, gated estate-subdivision. Improved roads and underground utilities (natural gas, power, fiber and phone) are in place to each of the 10-15 acre homesites.

Located in desirable Arroyo Seco near the base of the canyon leading to the Taos Ski Valley, views and beauty abound. To explore Beausoleil, contact Cyndi or John.
