BROKER PROFILE

Mark Thompson, CCIM

For 25 years, Mark's broad range of real estate experience has included commercial and residential opportunities. As a broker, his first-hand experience with sales and leasing transactions furthers his understanding in all aspects of real estate. As an investor, he maintains investment credibility and shows confidence in our current market. Mark has developed multiple build-to-suit senior care facilities in Texas and continues to pursue Opportunity Zone investments in Arizona and New Mexico. While current investment holdings include senior care, medical facilities, retail stores, warehouses and pad sites, his favorite asset class is comprised of industrial holdings. In the past 5 years, Mark has closed 82 transactions for over \$138,000,000 in sales.
