Project: Wall furnace replacement

Date: 10-31-2022

Farmington Heating & Metal Co. proposes to furnish labor, materials, and equipment necessary to:

Remove and dispose of the existing wall furnace

Install a **Williams Monterey 5009822** 50,000 BTU double sided furnace in its place.

Tie back to existing gas, bringing it up to code

Install new furnace venting

Includes a new thermostat

Startup equipment

All necessary permitting and inspections included

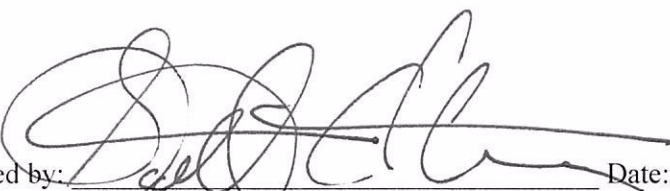

All for the sum of

\$3,104.00 plus any applicable taxes

Farmington Heating & Metal Company,

Note: This proposal may be withdrawn by us if not accepted within 30 days.

Note: 25% restock fee shall apply to cancellations

Note: Approved P.O., Credit Card or 50% payment required prior to the commencement of project.

The remaining balance is due at time of substantial completion.

*Delays such as electrical upgrades will not be reason to withhold payments.

*Any repairs or changes needed outside the scope of work will be subject to an additional charge

*FH&M is not liable for airflow issues (flow, noise, etc.) when using the existing ductwork during a change out or upgrade
