PROPERTY OVERVIEW

4801-4805 Menaul Blvd NE offers a prime commercial opportunity in the heart of Albuquerque's Northeast Heights submarket. The site is strategically positioned along Menaul Blvd, one of the city's most active commercial corridors, ensuring excellent visibility and traffic counts. The property currently features 7,875 square ft of commercial building situated on a 0.48-acre lot with flexible zoning allowing for a range of retail, office, or service uses. The flexibility of four addresses (4801-4805 Menaul, and 2608-2612 Monroe) enhances the potential for parcel assembly or expansion, making it suitable for owner-users, investors, or redevelopment. Demographics in the immediate area are strong, with over 121,000 residents within three miles. This property is positioned directly on Menaul Blvd NE, a key east-west arterial with consistent traffic flow. This positioning makes 4801-4805 Menaul Blvd NE a versatile acquisition, whether for immediate use, investment income, or redevelopment in one of Albuquerque's busiest commercial corridors.

LOCATION OVERVIEW

4801-4805 Menaul Blvd NE is located along Menaul Boulevard, one of Albuquerque's most recognized east-west commercial corridors. The property sits in the Northeast Heights submarket, a mature, high-traffic trade area with strong daytime and residential populations. Its central location provides excellent regional access to major arterials, including I-25, San Mateo Blvd, and Carlisle Blvd, connecting the site seamlessly to the rest of the metro area. The surrounding corridor is home to a wide mix of national and regional retailers, restaurants, service businesses, and office users, creating a vibrant commercial environment.
