LOS LUNAS | NEW MEXICO

Over the past 40 years, Los Lunas has had a population increase of more than a thousand percent making it one of the fastest-growing communities in New Mexico. This is due in part to the ease of doing business. Not only do they offer competitive incentives, but proudly boast a fast, 2-4-week maximum approval process for commercial and residential plans as well as building permits. Just ask Facebook, Amazon, Niagara Bottling, Wall Colmonoy, Accurate Machine & Tool or any of our other economic-base companies and national retailers. Los Lunas is a small community but with more than 2,000 acres of available commercial land across three business parks with direct access to two major interstates, there are big possibilities on the horizon.

OPPORTUNITIES

Investors can bridge the gap of needs and retail services of a rapidly-growing Los Lunas.

Amazon has built a 1 million SF fulfillment facility just west of Los Lunas. It employs more than 600 people.

Facebook is Expanding

- The first phase of Facebook’s server farm in Los Lunas was completed in 2019.
- The latest \$800 million expansion of the project was announced in October 2021 and will push Facebook’s investment into Los Lunas to nearly \$2 billion.
- New houses, stores, businesses and restaurants have come to the area and more are to follow.
