LOCATION OVERVIEW: ELEPHANT BUTTE, NM

The City of Elephant Butte is located immediately west of Elephant Butte Lake State Park, New Mexico's largest lake. The area is in the northern edge of the Chihuahuan desert offering high desert climates with warm days, cool nights and very low humidity levels. A wonderful area for year round outdoor activities including golf and fishing. In July 1998, the City of Elephant Butte became New Mexico's 101st incorporated community.

The City of Elephant Butte offers superb RV parks, restaurants, hotels and motels, guide services, marinas, and watercraft rentals.

Hailed as the "Diamond in the Desert," Elephant Butte is home to the largest lake in the state and Sierra del Rio, a 5-star Golf Course that was recognized by Gold Digest magazine as one of the state's Ten Best courses. It offers 18 holes, a driving range, a sport shop, and a bar/restaurant with outside seating on a deck overlooking the course.

Year-round recreation is available, and the city's population swells during the summer, especially on big holiday weekends like July 4, when a huge fireworks show happens over the lake. In fact most of the city's events happen at Elephant Butte Lake State Park, from the Annual Chili Cookoff in June to the Luminaria Beachwalk the 2nd weekend in December.
