10110 Six Mile Road Northville, MI

17,544 SF Industrial Building

The property features a 17,544-square-foot industrial building with functional warehouse and office space. Its efficient layout supports manufacturing, distribution, and service users alike.

5-Acre Site

The building sits on approximately five acres, offering generous yard space, ample parking, and easy truck circulation. The surplus land also leaves room for future expansion.

Outdoor Storage Permitted

Zoning allows for outdoor storage, a rare advantage for contractors, fleet operators, and equipment-intensive users. Materials and vehicles can be staged on site without off-premises overflow.

Divisible Building

The building can be divided to accommodate more than one tenant or multiple operating divisions. Flexible demising gives an owner or occupier the option to right-size the space over time.

Potential Sale/Leaseback

A sale/leaseback structure is available for an investor seeking stable, in-place income. The arrangement lets the current occupant remain in operation while unlocking the value of the real estate.
