PROPERTY OVERVIEW

Office/Retail building for sale, located at the northeast corner of Broadway (Davisburg Rd.), and Eaton Rd. (Andersonville Rd.), in Davisburg, MI. This property blends historic character with modern updates, having once served as Davisburg's town hall and fire hall prior to undergoing a full renovation in 2004. This property overlooks the Shiawassee Basin, offering beautiful natural views. The building is comprised of two levels, that each function as independent occupiable spaces. Additionally, this property offers an abundance of paved parking. Ideal for professional office users, boutique retailers, or an owner-occupant seeking to utilize the main level while generating income by leasing the lower level.

DIVISION 8.5. - VC VILLAGE CENTER DISTRICT

Sec. 40-382. - Intent.

The VC, Village Center District is intended to protect the unique historical character of the area by preserving the existing historical buildings and encouraging maintenance of historical architecture in all façade improvements, existing and new. Additionally, this district is intended to permit development of the township's existing village area with a density and combination of land uses (both residential and nonresidential) similar to that found in a traditional village settlement. This district allows for the development of office, retail, and service uses to serve the convenience and service needs of the area. Mixed-use developments are encouraged and all development/redevelopment should focus on a pedestrian-friendly atmosphere.

(Ord. No. 2012(4), § 1, 7-12-2012)

Sec. 40-383. - Principal uses—Permitted.

The following uses shall be permitted, subject to any limitations described herein:

3/19/26, 10:05 AM

Springfield Charter Township, (Oakland Co.), MI Code of Ordinances

Refer to article III, district regulations, division 15, schedule of regulations, section 40-572 limiting the height and bulk of buildings and the minimum size lot or parcel permitted by land use, the maximum density permitted, and providing the minimum yard setback requirements.

(Ord. No. 2012(4), § 1, 7-12-2012)

Sec. 40-387. - Required conditions.

- (1) All uses permitted in this district shall be located within fully enclosed buildings. Outdoor storage or display shall be prohibited, except as otherwise permitted herein. This requirement does not apply for sidewalk sales, farmer's markets, craft and antique shows, fairs and similar events that have obtained proper permits.
- (2) Off-street parking and loading requirements are exempt for all uses in the VC district except for short-term rentals. Where parking is provided, it should be located in the rear where alleys and other access points are available.
- (3) All parking areas shall be designed to be able to interconnect with neighboring properties where physically possible.

(Ord. No. 2012(4), § 1, 7-12-2012; Ord. No. 2023(5), § 1, 12-14-2023)

Sec. 40-388. - Architectural standards.

- (1) *Architectural elements and details.*
 - a. Material surfaces shall be delineated by transitional details such as decorative coursework, reveals, or caps.
 - b. All building construction shall use materials which are permanent and durable such as brick and modular stone. Low quality, monolithic materials such as stucco or E.I.F.S. systems, shall be permitted only as an enhancement to the overall façade of a building.
 - c. The preservation of existing architectural features which are complimentary to the historic character of the Village Center district shall be encouraged. Where building modifications are required or new buildings are constructed, architectural features, materials, and the articulation of a façade of a building shall be continued on all sides visible from a thoroughfare or adjoining properties.
- (2) *Signs.* All signs shall comply with the requirements set forth in section 40-751(d).
- (3) *Awnings.*
 - a. The awning must be permanently attached to the building.
 - b. The minimum height of the awning shall be at least eight feet in height from the lowest point of the sidewalk to ensure clearance for pedestrian safety.

- c. Awnings should be projected over individual doors and windows, and shall not be continuous over the entire width of the façade.
 - d. Awning materials are limited to matte finish canvas or similar fabric. Glass and metal awnings are prohibited.
 - e. Signage on awnings shall comply with the provisions set forth in subsection 40-751(d)(2).
 - f. Awnings which encroach into a public right-of-way will require approval of the appropriate governmental agency.
- (4) *Screening of service equipment.*
- a. Dumpster enclosures shall be used to contain refuse in a clean and orderly manner. Screening for dumpster enclosures and utilities shall be considered as an integral part of the design of a site. Where possible, shared trash enclosures should be utilized.
 - b. Dumpster enclosures which are visible from adjoining properties and thoroughfares shall include some of the design features consistent with those on the rear façade of the building as well as obscuring plantings where appropriate.
 - c. Utility equipment such as transformers, telephone switching boxes, and the like, shall be located in rear yards and screened in a similar manner to that of a dumpster enclosure.
 - d. Rooftop mechanical equipment shall be obscured with parapets, for example, including the rear elevation when visible from adjoining properties and thoroughfares.
