NEW ORLEANS, LA 70116

(1863)

FROM THE VIEUX CARRÉ VIRTUAL LIBRARY

[N.B. At the time that the chains of titles were abstracted for the VCS, the two distinct buildings at 800-804 N. Rampart and 806-810 N. Rampart belonged to the same lot (Lot 19090).] 800-804 N. Rampart. Yellow with green stripes : to : pink. This is a gable-ended, corner Creole cottage, of which the historic openings have been obliterated.

These can be seen in Plan Book drawings dating to 1858 and 1863, which also shows the neighboring St. Ann unit. If the existing building is the same depicted in the 1858 drawing, it was altered after 1863 with the addition of a steep gable-end and dormers.

These early plans also show two, simple, frame structures (now located on St. Ann) behind this cottage. 806-810 N. Rampart. Brown : to : yellow. This is a c. 1880, two-story, frame building, which was built in the late Victorian Italianate style.
