2,181 SQ.FT

D ZONING

Two bathrooms make it easy to host guests, and parking across the street helps with event-night logistics, which is hard to find downtown. The property is zoned D, which allows for a wide range of commercial uses. It works for an artist or curator who wants a permanent home for their work, an event planner looking for a venue in the city center, or an investor who sees the potential of a flexible downtown property.
