Anyone can go to the LDEQ website and put in the Agency Interest(AI) number and see all the information on the site from the time the tanks were installed.

Here is the website.

Quick Search - EDMS @LOUISIANA DEQ

Put in the AI#-75315 and click “Search”.

This will bring up all the documents on the site.
You can click on the Document ID #s to read each document.
The Compliance Evaluation Inspections (CEI) will have a summary of site information.
The last one was uploaded on 10/17/24. Document ID 14577213.
