Shreveport is the central hub of the Ark-La-Tex region. It is the largest city and the center of business and commerce for Northwest Louisiana, East Texas, Southeast Oklahoma and Southwest Arkansas. One of Shreveport's major assets for businesses is its location, just three hours from Dallas/Fort Worth and approximately five hours from Houston, Baton Rouge, New Orleans, Little Rock, Tulsa, Lafayette and Jackson.

Some of the major employers in the area include: Global Strike Command at Barksdale Air Force Base, Willis Knighton Hospital Systems, Amazon Fulfillment Center less than 1 Mile away employing 1000 people and the petroleum energy industry.

Shreveport is fortunate to have a variety of institutions of learning that provide both higher education, vocational and technical training, including Louisiana State University-Shreveport, Southern University Shreveport, Centenary College, Louisiana Tech University and Northwest's School of Nursing.
