

Architectural floor plan of a building, likely a school or institutional structure, featuring a grid system for layout reference. The plan includes a large rectangular building with a central corridor and several rooms, as well as a smaller rectangular structure attached to the right side. The grid lines are labeled with numbers 1 through 20 along the top and bottom edges. Dimensions are provided for various sections: 19'-5" for the leftmost section, 20'-0" for the main body, and 19'-9" for the rightmost section. A central section is labeled 97'-2" by 47'-1". The plan includes details of walls, doors, windows, and stairs.
