NOTE:

Stormwater Management: As part of construction, it shall be the responsibility of the owner to comply with storm water management and drainage requirements set forth in section 15.13 of the unified development code, latest revision.

FILL RESTRICTION NOTE:

The approval of this plat or map does not relieve the immediate property owner or future property owner from complying with all applicable federal, state and City-Parish laws and ordinances governing the sale and development of the property. In particular, no filling of the property shall be commenced until all applicable provisions of Chapter 15 of the Unified Development Code are addressed.

DEED RESTRICTION NOTE:

The City of Baton Rouge and the Parish of East Baton Rouge do not enforce private deed and/or subdivision restrictions. However, the approval of this plat does not release the owner and/or contractor/builder from complying with any such restrictions that may be attached to the property on this plat.

DEDICATION:

The streets and rights of way shown hereon, if not previously dedicated, are hereby dedicated to the perpetual use of the public for proper purposes. All areas shown as servitudes, other than those labeled as private servitudes, are granted to the public for the purposes indicated on the plat, including utilities, drainage, sewage removal or other proper purpose for the general use by the public. No trees, shrubs or other plants may be planted, nor shall any building, fence, structure or improvements be constructed or installed within or over any servitude or right of way so as to prevent or unreasonably interfere with any purpose for which the servitude or right of way is granted.

SEWAGE DISPOSAL:

No person shall provide a method of sewage disposal, except connection to an approved sanitary sewer system, until the method of sewage treatment and disposal has been approved by the Health Unit of East Baton Rouge Parish.
