# Property Description

Garrison Road Anderson, SC 29625

## Property Overview

The diversity of this very attractive farm sets it apart from other tracts. An almost equal split of very well manicured fields and hardwoods is complemented by a two acre pond and half a mile of Steel Creek running through the property. These features offer the total package in terms of wildlife habitat (planted fields, thick bottom areas, upland hardwoods, & excellent water sources) and the hunting opportunities on the property are as good as you will find on a parcel this size. A power line runs for over 300 yards through the middle of the pasture and implementing a dove field would be an ideal use for the wing shooting enthusiast. The property is located 20 minutes from downtown Anderson, 30 minutes from downtown Greenville, and less than 1/4 mile as the crow flies from I-85 and Lake Hartwell. The property also offers great potential for lot subdivision with access to public water.
