NARCISSISTIC
ABUSE RECOVERY

Rediscovering Me

A therapy group focused on those who have been in a relationship with a narcissist. It's time to exist again.

About the Group

Alicia Seidler and Krista Hsieh are licensed counselors with experience helping clients understand the damaging cycle a narcissist brings to their relationships.

The group will combine education and support aimed at understanding narcissistic abuse paired with a story telling component. It's a safe place to tell your story and be believed.

Details

Every Thursday 9am-10:30am
starting March 28th for 8
weeks
\$400 total
