

# Ownership chart example

- This example illustrates a common format that we accept to prove shareholder structure.
- Feel free to adapt this example by building your own to provide us a document, containing a current list of all shareholders with the number of shares held individually and their voting rights.
- Please make sure your submission is accurate, readable, dated within the last three months, and signed according to the rules below.
- Ultimate beneficial owner (UBO) is a natural person with an ownership or control through voting rights equal to or greater than 25% over your company
- A shareholder is a legal entity holding 25% or more ownership over your company.
