

CFMOTO 450NK

'24

DESCRIERE

The **CFMOTO 450NK** motorcycle effortlessly navigates through crowded streets, while its agile nature and unparalleled maneuverability make it a versatile partner for daily commutes. Power, style, and control come together to deliver a high-standard riding experience. Inspired by the NK-C22 concept, this street bike is emblematic of the new generation of motorcycles, boasting an aggressive design focused on agility and advanced technology. Braking power is ensured by the powerful J.Juan disc brakes.

This CFMOTO model is available in three attractive color schemes: Nebula Black, Nebula White, Zephyr Blue.
