CFMOTO ZFORCE 950 SPORT-4 '25

DESCRIERE

The **ZFORCE 950 SPORT-4** redefines the concept of off-road adventure, offering top performance, first-class comfort and excellent value for money. This latest generation side-by-side is powered by a 963cc V-Twin engine with electronic injection and liquid cooling, which delivers impressive power in a package optimized for demanding trails.

With a continuously variable transmission (CVT) and the ability to switch between 2WD, 4WD and 4WD lock, the ZFORCE 950 SPORT-4 is ready to tackle any terrain accessible to its 27-inch all-terrain tires. The generous 3048mm wheelbase, together with 330mm ground clearance and long-travel suspension (307mm front / 334mm rear), provides stability, grip and comfort in the most difficult conditions.

The interior is designed for four adults, with carriage doors for easy access in tight spaces and increased protection. For longer journeys, the vehicle is equipped with multiple weatherproof storage spaces, including two front compartments and a large 158-liter rear bed with a lockable hard top.

Premium features include a standard roof, 2041 kg (4500 lbs) winch, full LED lighting, 5" LCD digital display, ambient lighting in the cab and a full-length underbody shield. With 14" beadlock alloy wheels and 3-stage adjustable gas-charged suspension, the ZFORCE 950 SPORT-4 is ready to conquer any trail.
