Showa SSF-BP USD Forks

Adjustable 41mm Showa Separate Fork Function Big Piston (SSF-BP) USD forks are an upgrade for the CB650R.

Full LED Headlight

All lighting is premium LED. The circular headlight, equipped with a sharp black bezel, throws out an intense, blue-tinted beam.

Digital LCD Speedometer & Under-Seat USB Charger

The digital LCD instruments are clear and now even easier to read, USB charger located under the seat, for easy charging of a mobile device.

"ABS" and Honda Selectable Torque Control "HSTC"

The dual channel Anti-Lock Brake System (ABS) maintains smooth control in wet or dry conditions and features Honda Selectable Torque Control (HSTC) to maintain near wheel traction.

Four Cylinder Engine

This ultimate beast has a 12,000 rpm redline and is equipped with Assist/Slipper Clutch that allow you to confidently experience the thrills.

Emergency Stop Signal

The CB650R Emergency Stop Signal technology detects sudden braking and automatically activates the front and rear hazard lights, which flash to warn any nearby vehicles.

All specifications are provisional and subject to change without notice.

- Please note that the figures provided are results obtained by Honda under standardised testing conditions prescribed by WMTC. Tests are conducted on a rolling road using a standard version of the vehicle with only one rider and no additional optional equipment. Actual fuel consumption may vary depending on how you ride, how you maintain your vehicle, weather, road conditions, tyre pressure, installation of accessories, cargo, rider and passenger weight, and other factors.
- These models come with a 2 year or 20,000km manufacturing warranty (whichever comes first).
