

To provide clarity, we’ve outlined a list of fees that may apply during your residency. Some of these charges are standard and required, while others are optional or based on usage. To estimate your total monthly cost, start with your apartment’s ‘Base Rent’ (the set amount for your home without any extras), then add in any fixed fees, usage-based expenses, and optional services you choose. If you have any questions about how these apply, please don’t hesitate to reach out to our team.
