

Aluminium Portable Ramp

Durable lightweight
aluminium construction
with a handle for
comfortable carrying.

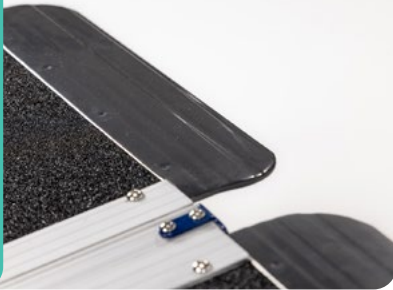

**Compact centre
fold design** for storage
and transport.

Accessible Solutions for Every Journey

Discover our thoughtfully designed, lightweight aluminium ramps—folding and easy to carry—crafted to provide safe, reliable access wherever life takes you. Whether it's steps, curbs, or raised surfaces, these ramps provide peace of mind and freedom for those using wheelchairs, mobility scooters, walkers, or other aids. Perfect for temporary placement, they're here to support you when and where you need it most.

Plastic-coated top lips enhance grip and stability.

Slip-resistant surface for secure footing in all conditions.
