

## Night Light 3-1

Your reliable companion for peace of mind at night

Designed with care this clever 3-in-1 utility light is more than just a night light – it's a thoughtful solution for safety and independence. Whether guiding you softly through the hallway or shining bright as a torch, it's built to give confidence and comfort.

### Smart, automatic lighting

Motion-activated night light that switches on when you need it – and automatically activates during power outages for peace of mind.

**Removable torch for emergencies.** Detaches easily and stays charged in its base, ready when you need it.

### Simple, versatile design.

One-button operation with flexible placement – ideal for hallways, bedrooms, or anywhere you want extra reassurance and safety.

## Specifications
