

# Deluxe Seat Walker

**Lightweight aluminium frame** for easy maneuverability

**Height adjustable handlebars** for customised comfort

## Lightweight Support for Everyday Independence

The Deluxe Seat Walker is designed to deliver comfort, stability, and effortless everyday mobility. Built for indoor use, it features a lightweight aluminium frame, easy-fold design, and supportive seating elements that make it an ideal companion for users seeking independence and convenience. Available in two sizes—standard and petite—the walker includes adjustable handlebars to ensure a safe and personalised fit for each user.

**Ergonomic handle grips**  
for greater control

**Flip up padded backrest** for comfort and compact folding

**Comfortable padded seat** for short rest breaks

**Under-seat storage and easy-fold design** for convenient transport and everyday essentials
