**Warning:** May be harmful if swallowed.

**Precautions:**

- Store in original container, tightly closed in a safe place away from foodstuffs. Avoid all contact by mouth. Wash hands and exposed skin before meals, smoking and after any contact.
- Prevent access to baits by children and domestic animals, particularly cats, dogs, pigs and birds. Toxic to fish and wildlife.
- Do not use where food or feed could become contaminated. Retrieve and burn all rodent carcasses, unused bait and bait containers after use. Dispose of empty container safely.
- Avoid contamination of any water supply with baits or empty containers.

**First Aid:** If swallowed do NOT induce vomiting. For advice, contact the National Poisons Centre 0800 POISON (0800 764 766) or a doctor immediately.

**DIRECTIONS:**

**Rats:** Place two 28 gram blox at intervals of 4 to 6 metres apart in bait stations. Maintain an uninterrupted supply of fresh bait until signs of rat activity have ceased.

**Mice:** Place one 28 gram blox at intervals of 2 to 3 metres apart in bait stations. Maintain an uninterrupted supply of fresh bait until signs of mice activity have ceased.

**Approvals:** AgriQuality Approved for food/ beverage /dairy/farms & food areas. NZFSA Approved Type C (All animal products except dairy).

**Registered pursuant to the ACVM Act 1997, No V005059**
