Chemwet 1000

ACTIVE CONSTITUENT: 1000g/L ALCOHOL ALKOXYLATE

A Non-ionic 100% Wetting Agent, for the improvement of spray coverage and uptake when using Agricultural Chemicals.

nufarm.com.au

APVMA Approval No.: 41511/59024

DIRECTIONS FOR USE

Chemwet 1000 can be used where the addition of a Surfactant is required or recommended on the agricultural chemical label. Variations in conditions of use can require some changes in the amount of Chemwet 1000.

SITUATION	RATE	CRITICAL COMMENTS
Non-Selective Herbicides FOLIAR ACTIVE	25-200mL /100L	Use the higher rate on waxy, hairy or hard to wet surfaces. Increase rate for dry soils.
Selective Herbicides IN CROP USE	25-100mL/100L	Use when a surfactant is recommended on herbicide labels. Use the higher rate on waxy, hairy or hard to wet surfaces.
Soil Residual Herbicides	100-400mL/100L	When applied with soil residual herbicides to standing weeds, add Chemwet 1000 to thoroughly wet foliage. Consult product labels for individual recommendations.
Horticulture INSECTICIDES, FUNGICIDES AND GROWTH REGULATORS	40-100mL/100L	Vary rate according to volume and nature of target. Use only when recommended on product labels.
Paraquat and Diquat Herbicides Important when grasses are the major target	25-100mL/100L	Vary rate according to spray volume. Select rate in accordance with product labels.
Pasture Topping For use with Glyphosate CT	125mL/100L	Use the higher rate when watering turf.
Watering of Turf and Dust Abatement As additive to water	40-100mL/100L	
Fire Fighting Water Tanker Knapsack	5mL/100L 2mL/15mL	In this field Chemwet 1000 has the advantage of less weight to carry compared with less concentrated surfactants and of being non-flammable. It increases the wetting power of water which assists in quick control and mopping up of fires. It is of particular value where water may not be readily available, when a less drenching spray is needed, and a tankful will cover a bigger area.

NOT TO BE USED FOR ANY PURPOSE OR IN ANY MANNER CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION

GENERAL INSTRUCTIONS

NOTE: Where product labels recommend the addition of a non-ionic wetting agent as a percentage (%) dilution, add 100mL Chemwet 1000 per 100 litres of spray mixture to give 0.1%, 250mL/100L to give 0.25% or other rates as required using these examples.

MIXING

Add Chemwet 1000 into the spray tank last, after a good emulsion is formed.

PROTECTION OF WILDLIFE, FISH, CRUSTACEA AND ENVIRONMENT

Harmful to fish. DO NOT contaminate ponds, streams, rivers or waterways with chemical or used containers.

STORAGE AND DISPOSAL

KEEP OUT OF REACH OF CHILDREN. Store in the closed, original container in a cool, well ventilated area. DO NOT store for prolonged periods in direct sunlight. Triple or preferably pressure rinse containers before disposal. Add rinsings to spray tank. DO NOT dispose of undiluted chemicals

on-site. If recycling, replace cap and return clean containers to recycler or designated collection point. If not recycling, break, crush, or puncture and deliver empty packaging to an approved waste management facility. If an approved waste management facility is not available, bury the containers below 500mm in a disposal pit specifically marked and set up for this purpose clear of waterways, desirable vegetation and tree roots, in compliance with relevant Local, State or Territory government regulations. Empty containers and product should NOT be burnt.

Envirodrum 110L Mini Bulk Returnable Container

Store the original sealed Envirodrum in a cool, well ventilated area. DO NOT store for prolonged periods in direct sunlight. DO NOT tamper with the Micro Matic valve or the security seal. DO NOT contaminate the Envirodrum with water or any other foreign matter. After each use of the product, please ensure that the Micro Matic coupler, delivery system and hoses are disconnected, triple rinsed with clean water and drained accordingly. When the contents of the Envirodrum have been used, please return the empty Envirodrum to the point of purchase. The Envirodrum remains the property of Nufarm Australia Limited.

Refillable Containers (1000L)

Store in the closed, original container in a cool, well-ventilated area. DO NOT store for prolonged periods in direct sunlight. Empty contents fully into application equipment. Close all valves and return to point of supply for refill or storage.

SAFETY DIRECTIONS

Avoid contact with eyes and skin. When using or preparing product for use, wear overalls, PVC/rubber gloves, goggles and safety shoes. After use and before eating, drinking or smoking, wash hands.

FIRST AID

If poisoning occurs, contact a Doctor or Poisons Information Centre (Phone 13 11 26). If swallowed, rinse mouth with water. Give several glasses of water to drink. If vomiting occurs, give more water to drink and seek medical advice. If in eyes, hold eyes open and flood with water for at least 15 minutes and see a doctor. If skin contact occurs, remove contaminated clothing and wash skin thoroughly with soap and water. If irritation occurs seek medical advice.

MATERIAL SAFETY DATA SHEET

For further information refer to the Material Safety Data Sheet (MSDS), which can be obtained from your supplier or the Nufarm website - www.nufarm.com.au

In case of emergency: Phone 1800 033 498 Ask for shift supervisor. Toll free 24 hours.

CONDITIONS OF SALE

"Any provisions or rights under the Competition and Consumer Act 2010 or relevant state legislation which cannot be excluded by those statutes or by law are not intended to be excluded by these conditions of sale. Subject to the foregoing, all warranties, conditions, rights and remedies, expressed or implied under common law, statute or otherwise, in relation to the sale, supply, use or application of this product, are excluded. Nufarm Australia Limited and/or its affiliates ("Nufarm") shall not accept any liability whatsoever (including consequential loss), or howsoever arising (including negligence) for any damage, injury or death connected with the sale, supply, use or application of this product except for liability which cannot be excluded by statute."
