### Section 5. FIRE FIGHTING MEASURES

Extinguishing media:

# Air Fragrance Deodoriser Refill

## SAFETY DATA SHEET

**Suitable extinguishing media:** Extinguish with alcohol-resistant foam, carbon dioxide or dry powder.  
**Unsuitable extinguishing media:** Do not use water jet as an extinguisher, as this will spread the fire.

Special hazards arising from the substance or mixture:

**Specific hazards:** Pressurized container: Must not be exposed to temperatures above 50°C. Containers can burst violently or explode when heated, due to excessive pressure build-up. Vapours are heavier than air and may spread near ground and travel a considerable distance to a source of ignition and flash back.

Advice for firefighters:

**Special protective equipment for firefighters:**

Wear positive-pressure self-contained breathing apparatus (SCBA) and appropriate protective clothing.

### Section 6. ACCIDENTAL RELEASE MEASURES

Personal precautions, protective equipment and emergency procedures:

**Personal precautions:** For personal protection, see Section 8. No smoking, sparks, flames or other sources of ignition near spillage.

**Environmental precautions:** Avoid discharge into drains. Contain spillage with sand, earth or other suitable non-combustible material.

Methods and material for containment and cleaning up

**Methods for cleaning up:** Stop leak if possible without risk. Eliminate all sources of ignition. No smoking, sparks, flames or other sources of ignition near spillage. Provide adequate ventilation. Avoid the spillage or runoff entering drains, sewers or watercourses. Absorb in vermiculite, dry sand or earth and place into containers. Wash thoroughly after dealing with a spillage.

### Section 7. HANDLING AND STORAGE

Precautions for safe handling

**Usage precautions:** Avoid contact with skin and eyes. Keep away from heat, sparks and open flame. Provide adequate ventilation. Avoid inhalation of vapours. Use approved respirator if air contamination is above an acceptable level. Container must be kept tightly closed when not in use. Use explosion proof electric equipment. Avoid discharge into drains or watercourses or onto the ground.

**Advice on general occupational hygiene:** Do not eat, drink or smoke when using this product.

Conditions for safe storage, including any incompatibilities
