General Notes

- Total vote counts exclude invalid votes.
- All Thiessen polygons across countries use consistent country borders from geoBoundaries. In some rare cases, like Taiwan, where the geoBoundaries lack precise definition, dated OpenStreetMap boundaries are used instead.
- A single dash with a space on either side, " - ", in the party column indicates a coalition between two or more parties; an em-dash is used when either a dash or an em-dash is formally in the party's name.

56 Isle of Man

56.1 Notes

- House of Keys general elections in the 12 two-member constituencies of the 2013 boundaries, used unchanged in 2016, 2021 and 2026.
- Each voter may cast up to two votes, so total_votes is the sum of candidate votes in the constituency and is roughly 1.7 to 1.9 times the number of voters. Votes are recorded by candidate; party is the ballot description on the Notice of Poll, and candidates without one are Independent.
- The 2021 and 2026 figures are transcribed from hand-filled Notices of Result, read twice independently, and the two readings agree on every figure. No 2026 electorate by constituency was published, so reg and turnout_reg are missing for 2026.
- Constituency polygons are the Isle of Man Government's House of Keys constituency boundaries.
- Smallest physical unit: House of Keys Constituency
