General Notes

- Total vote counts exclude invalid votes.
- All Thiessen polygons across countries use consistent country borders from geoBoundaries. In some rare cases, like Taiwan, where the geoBoundaries lack precise definition, dated OpenStreetMap boundaries are used instead.
- A single dash with a space on either side, " - ", in the party column indicates a coalition between two or more parties; an em-dash is used when either a dash or an em-dash is formally in the party's name.
