## General Notes

- Total vote counts exclude invalid votes.
- All Thiessen polygons across countries use consistent country borders from geoBoundaries. In some rare cases, like Taiwan, where the geoBoundaries lack precise definition, dated OpenStreetMap boundaries are used instead.
- A single dash with a space on either side, " - ", in the party column indicates a coalition between two or more parties; an em-dash is used when either a dash or an em-dash is formally in the party's name.

# 130 Uruguay

## 130.1 Notes

- Results duplicated for ”Presidential” and ”Legislative” due to double simultaneous voting.
- Owing to double simultaneous voting, party refers to the party, and party_b to the presidential candidate.
- Smallest physical unit: Polling Station

## 130.2 Data Source(s)

- Corte Electoral
