LONG-TERM CARE

IN A SUPPORTIVE SETTING

LONG-TERM SKILLED NURSING

When someone you love requires long-term skilled nursing care, our friendly staff and resort-like environment at Acacia Health Center will give you the peace of mind you both deserve. We provide expert care in a healing environment where each resident will be supported in all aspects of their health care and daily routines. We focus on the benefits of staying active and engaged so your loved one can function at the highest level possible.

CLINICAL EXCELLENCE

We set the bar high when it comes to clinical excellence and quality care for each and every resident. Our care teams work together with physicians, specialists, therapists, nurses, and staff members at all levels to deliver long-term care in a safe and supportive setting. You'll see the difference in the ways our staff members interact with residents every day and prioritize communication touch points with families and loved ones.

Long-term skilled nursing, provided by our outstanding interdisciplinary team, is individualized to meet your needs and maximize your quality of life.

ATTENTIVE CARE WITH ALL THE COMFORTS OF HOME

Our unparalleled staff-to-resident ratio means you'll receive attentive care, while our comfortable suites, delicious meals, and inviting gathering spaces will make you feel at home.
