Mountain West Conference

ACADEMIC CONSORTIUM

From the outset, Mountain West member institutions have been committed to creating strong academic relationships, as well as athletic competition. To that end, the chief academic officers of each institution have explored academic exchange programs, library crossovers and shared research. In addition, the faculty athletics representatives routinely provide academic assistance and test-taking services for student-athletes visiting from fellow member institutions for competition.

OPPORTUNITY

The Mountain West provides a first-class athletic and academic experience for more than 5,100 student-athletes each year. Over the past 14 years, 41 Mountain West student-athletes have earned NCAA Postgraduate Scholarships, and since the league's inception in 1999, an additional 28 student-athletes have been named MW Scholar-Athlete of the Year and awarded league-sponsored postgraduate scholarships.

SPORTSMANSHIP

Named a Sports Ethics Fellow by the Institute for International Sport in 1998, Commissioner Thompson has been a driving force for sportsmanship within intercollegiate athletics. As part of its continuing growth and development, the Mountain West implemented an extensive Sportsmanship Initiative, endorsed by both the MW Joint Council and MW Board of Directors. The program is made up of several elements, which are both practical and philosophical in nature. While the MW has significant penalties in place to deal with violations, the Sportsmanship Initiative is primarily promotional and educational in nature. The goal is to develop an environment that fosters appropriate behavior from all Conference constituencies.

ACHIEVEMENT

The MW has produced 793 All-America selections among its 18 sponsored sports (men's swimming was discontinued as a Conference sport following the 2010-11 season) in the last 14 years, including a league-record 83 All-America honorees in 2010-11. A total of 131 MW student-athletes have also earned Academic All-America accolades in that span. The Mountain West has sent at least 25 teams to NCAA postseason events in each of the past 14 years, capturing three team national championships in women's cross country and producing 33 individual national champions in the sports of men's golf, men's cross country, and men's and women's indoor track & field and outdoor track & field.

Mountain West members have participated in 56 bowl games under the league umbrella, including four appearances in BCS games. The MW has earned 68 postseason bids in men's basketball, including 38 NCAA Tournament appearances and two NIT Final Four berths. MW women's basketball has tallied 60 postseason slots, including 32 NCAA bids, five Sweet 16 appearances and one Elite Eight berth since 2000. Wyoming won the MW's first WNIT championship in 2007 with a win over Wisconsin. In women's volleyball, the MW has had 36 NCAA bids with eight Sweet 16 berths and one Elite Eight appearance. Women's soccer has earned 27 NCAA bids since 1999, with two Sweet 16 berths and one Elite Eight appearance. MW men's golf has had at least four representatives in 13 of the last 14 NCAA Golf Regionals, while women's golf has had at least three teams participate in NCAA Regionals 11 of the last 14 years.
