Coaching Staff

GEORGE NESSMAN Head Coach 4th Season

George Nessman was appointed the San Jose State University men's basketball head coach in March 2005. As he heads into his fourth season leading the Spartans, he has positioned the program for near and long-term success in competition and in the classroom.

The 2007-08 team was one of the nation's most improved based on win totals. The Spartans, playing 13 games against eventual 20-win teams, opened the season capturing the First Shot Exempt Tournament hosted by Middle Tennessee State. San Jose State picked up road wins against Big Sky Conference champion Portland State in overtime and topped cross-county rival Santa Clara for the first time since 2003.

The Spartans were the most successful Western Athletic Conference team last season in games decided by four points or less with a 9-4 record. Homecourt wins over Nevada and Utah State were part of San Jose State's first winning record at The Event Center since 2000-01. A Western Athletic Conference Tournament victory for the first time since 2002 capped the best San Jose State season in seven years.

His second season, 2006-07, clearly was one with a youth movement in place. With the third youngest team in the country based on previous major college playing experience, Nessman faced one of the nation's most challenging schedules in 2006-07 according to the in-season Sagarin Ratings. On the road, alone, the Spartans faced six teams that reached the 2007 NCAA Tournament, two others that played in the NIT and four more that had winning records.

Undaunted, his team endured the tough non-conference schedule and doubled its conference win

total from his first season at the helm and posted the school's first win over conference foe Fresno State in eight years.

Nessman is the first San Jose State men's basketball coach to successfully organize a summer overseas tour. The Spartans spent a week in the United Kingdom, experienced a different culture and won all its August 2007 games against teams from the English and British Basketball Leagues.

The United Kingdom trip is consistent with his philosophy of placing the program in the spotlight. The Spartans have traveled to Duke, Texas Tech and Michigan State with Nessman facing legendary coaches Mike Krzyzewski, Bob Knight and Tom Izzo, respectively.

In his first season, the Spartans ended long road losing streaks both in conference and non-conference action. When the Spartans won, more often than not it was by a convincing margin. There were more close games with seven contests decided by four points or less during his first season.

Home attendance increased by 20 percent. Away from the court, his student-athletes were much more involved in community activities. San Jose State's recruiting focused much more on student-athletes from the Bay Area and Northern California but still attracted talented newcomers from Southern California and beyond. He became the first Spartan men's basketball coach in 21 years to sign a Bay Area high school senior to a National Letter-of-Intent when DeVonte Thomas decided to join the program in the spring of 2005.

In his first three seasons at San Jose State, his student-athletes earned four Western Athletic Conference All-Academic awards. Center C.J. Webster, entering his second season with the Spartans, was named to the 2007-08 WAC All-Newcomer team.

Nessman took over the Spartans' position after one season as an assistant coach and recruiting coordinator at the University of California in 2004-05.

Entering his 21st season as a head coach, his teams at the high school, community college and major college levels have won 383 games, placed first in a league or conference nine times and won a state championship. He is 24-69 at San Jose State.

One of his most significant coaching accomplishments was directing Porterville College to a 33-4 win-loss record, a Central

Coaching Staff

Valley Conference title and the school's first California Community College championship in 2000. Between January 2000 and February 2001, Porterville College won 40 consecutive games covering two seasons – one of the longest winning streaks in the California Community College system's history.

The 2000 California Community College Coach of the Year produced five 20-game winners in nine seasons and a 178-76 win-loss record. Before his arrival, Porterville had four consecutive losing seasons and did not have a plus-.500 winning percentage in 11 years. Nearly 90 percent of the sophomores he coached at Porterville and Bakersfield Colleges continued their college careers at four-year institutions.

In addition to his coaching duties at Porterville, he served the school as its director of athletics from 1995 through 2001 and was the academic advisor for athletics in 2001-02.

The 1981 graduate of the University of California started his coaching career at age 22 when he was hired as the junior varsity and cross country coach at Salesian High School in Richmond, Calif.

After three seasons, he became the boys varsity assistant coach at Concord, California's De La Salle High School in 1984. Two seasons later, he took over the head coach position at De La

"In April (2006) when the season's over, we'll look back on whom all we played and I think we'll be able to say San Jose, tonight, played as hard as anybody we played all year. They came out, and, for the first 15 minutes, I'd rather been coaching them, than us. Their coaches did a better job than we did getting the game started and getting the team started. Their players did a better job than our players." – Texas Tech University head coach Bobby Knight, Nov. 10, 2005

Salle and went on to produce a 155-48 win-loss record, five conference championships, one North Coast Section crown and four appearances in the Northern California Tournament of Champions. Two of his most prominent Spartans were future NBA players Jon and Brent Barry.

The 49-year-old native of Stamford, Conn., has two master's degrees – one in education from San Francisco State University in 1988 and a second in physical education and recreation from Saint Mary's College in 1993. Nessman is the only current coach in the Western Athletic Conference to earn two master's degrees. He and his wife, Nancy, have four children – Joshua, a student at San Jose State; Veronica, a student at the University of California; Peter and John.

"Our main goal for our team is to master our system so the system serves you as a player instead of you serving it. As you do that, the game slows down for you. It becomes easier for you. That's been a big emphasis for our guys. See and understand what you are looking at. That's a big teaching point."
– Head coach George Nessman

"San Jose State did a really good job of staying in the game during the first half. I thought they outplayed us in the last four or five minutes."
– Duke University coach Mike Krzyzewski, Dec. 31, 2006

Basketball Staff

Brent Davis
Assistant Coach

Donald Williams
Assistant Coach

Brent Davis joined the San Jose State University staff as an assistant coach in May 2005. Davis came to the Spartans after serving as the head coach at Bakersfield College.

He earned his bachelor's degree majoring in social science from San Diego State University. Davis went on to earn a master's degree in physical education from Azusa Pacific University in 2002.

Davis began his coaching career in 1997 as an assistant coach at Redwood High School in Visalia, Calif. After one

season, he moved to San Diego Mesa College where he served as an assistant coach for three seasons.

Davis, born on April 14, 1978, in Tulare, Calif., worked as an assistant coach for George Nessman at Bakersfield College during the 2003 and 2004 seasons before being named head coach.

He and his wife, Aimee, live in San Jose. Aimee completed her doctoral program in physical therapy at the University of the Pacific in October 2007.

Donald Williams is in his sixth season and second tenure as a San Jose State University men's basketball assistant coach. He spent the 2003 and 2004 seasons with the Spartans.

Williams first joined the coaching staff after five seasons as the boys varsity assistant coach at San Leandro (Calif.) High School.

The 1995 graduate of California State University - Hayward played two seasons of basketball for the Pioneers after transferring

from Porterville College.

Williams was born on October 17, 1970, in Pontiac, Mich. He and his wife, LaShonda, are the parents of two sons, Justin and Jalen.

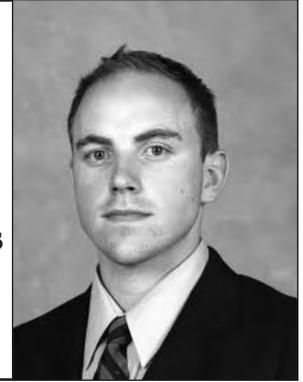

Basketball Staff

Gary Stepan
Assistant Coach

Tim Marrion
Director of Men's
Basketball Operations

Gary Stepan enters his first full season as a San Jose State men's basketball assistant coach.

Stepan first joined the Spartans' coaching staff for the last four months of the 2006-07 season as an assistant coach.

His coaching experience is rooted in the high school ranks. He served as an assistant coach at De La Salle High School in Concord, Calif., in the 1980's where he worked with and for current San Jose State head coach George Nessman and at Fallbrook (Calif.) Union High for 19 years.

Stepan is a 1971 graduate of California Lutheran College. He earned a Master of Science degree from National University in 2002.

Tim Marrion is in his second season as a member of the San Jose State University men's basketball staff and his first as an assistant coach. During the 2006-07 season, he served as the program's administrative assistant.

Marrion came to the Spartans after three seasons at Washington State University as a student assistant. His duties included the preparation of scouting reports, video coordination, film exchange and coordinating team meals.

The 2006 Washington State University graduate majored in sports management with a minor in leadership studies. Marrion has worked as a guest coach at summer youth basketball camps in Northern California, Kentucky and Washington.

The native of Nottingham, England, one of the youngest assistants at the Division I level, was born on April 2, 1985.

 \$ - Western Athletic Conference Tournament contest

Center Chris Oakes was sixth in the Western Athletic Conference in rebounding and is the conference's top returning rebounder.

C.J. Webster led the Spartans in scoring and number of rebounds last season.

Western Athletic Conference

In its 47th year, the Western Athletic Conference continues to evolve and features some of the nation's best intercollegiate competition. One thing that remains unchanged is the persistent nature of the nine schools in the WAC to advance their programs to contend at the top levels of the NCAA.

The WAC provides its student-athletes the chance to travel to scenic destinations and gain exposure in some of the nation's most diverse markets. In addition, the WAC's student-athletes work to achieve the highest levels of success with the academic support of their respective institutions.

The WAC has experienced tremendous success. Over the past five years, it has won 61.1 percent of its bowl games and sent a total of 18 teams to bowl games (11-7). San Jose State defeated the University of New Mexico, 20-12, in the 2006 New Mexico Bowl hosted by the city of Albuquerque.

In men's basketball, the WAC has sent at least two teams to the NCAA Tournament in 23 of the past 24 seasons. Every current school in the WAC has competed in the NCAA Tournament since 1990. In women's sports, Fresno State softball has competed in every NCAA Tournament ever held.

In 2001, the WAC partnered with ESPN for unprecedented coverage of football and basketball giving the conference national exposure from one of the most respected broadcast entities in the country. Over the past three years, the networks have shown more than 70 football games, by far the most in a three-year range in WAC history.

The WAC is the sixth oldest among the nation's 11 Division I-A conferences. Its history traces back to July 27, 1962, when the original six-team league of Arizona, Arizona State, Brigham

Karl Benson
WAC Commissioner

Young, New Mexico, Utah and Wyoming began competition.

The first championship was held in November 1962.

Arizona won the men's cross country title and New Mexico followed with the first WAC football title. Arizona finished second in the NCAA College World Series and, less than three years later, Arizona State claimed the league's first NCAA title when the Sun Devils won the College World Series trophy. Rice was the last WAC school to earn an NCAA team title when it won the College World Series in 2003.

Since that year, several changes have occurred. UTEP and Colorado State became members in September 1967, while Arizona and Arizona State withdrew on June 30, 1978. The WAC then added San Diego State (1978), Hawai'i (1979) and Air Force (1980).

The 1990-91 athletic year was the first in which both men and women competed under the WAC name.

Fresno State was added in 1992, and then in 1996, the women's programs from Air Force and Hawai'i along with six new schools (UNLV, Rice, San Jose State, SMU, TCU and Tulsa) came into the WAC. Air Force, Brigham Young, Colorado State, UNLV, New Mexico, San

Diego State, Utah and Wyoming withdrew on June 30, 1999. Nevada (2000), Boise State (2001) and Louisiana Tech (2001) were added while TCU withdrew following the 2000-01 season. The current membership was established on July 1, 2005, when Idaho, New Mexico State and Utah State joined the WAC after Rice, SMU, UTEP and Tulsa withdrew.

Presently, the WAC crowns champions in 19 sports – eight men's and 11 women's. For the men, there are championships in baseball, basketball, cross country, football, golf, tennis, indoor track and field and outdoor track and field. Championships for women are held in basketball, cross country, golf, gymnastics, soccer, softball, swimming and diving, tennis, indoor track and field, outdoor track and field and volleyball.

ESPNU BRACKETBUSTERS

FEBRUARY 20-21, 2009

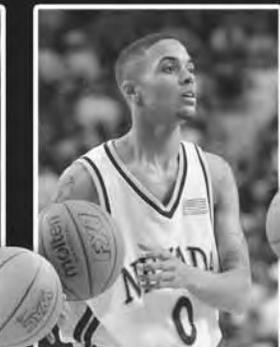

A total of 102 teams – representing 17 collegiate athletic conferences – will compete in the two-day event (February 20-21), with the entire ESPNU BracketBusters slate of matchups to be announced in early February.

Of the 51 games, a minimum of 13 will be televised, with six contests on ESPN2. An additional five games will be aired on ESPNU – ESPN's collegiate sports network which launched on March 4, 2005 – and two will be televised on ESPN360 – ESPN's broadband service. Please consult your local listings for start times.

The WAC has been involved with ESPNU BracketBusters since the event's inception in 2003. The WAC's best record came in 2007 when the nine teams went 7-2 and were a perfect 4-0 in televised games. In ESPNU BracketBusters branded games (contests aired on the TV package), the WAC has a 12-13 record with Nevada (4-1) and Utah State (3-0) owning the league's best marks.

HOME TEAMS: Hawai'i, Idaho, Nevada, New Mexico State, San Jose State, Boston University, Vermont, Portland State, Winthrop, Cal Poly, Long Beach State, UC-Davis, UC-Santa Barbara, Drexel, James Madison, Old Dominion, Towson, UNC-Wilmington, William & Mary, Illinois-Chicago, Loyola (Ill.), Milwaukee, Valparaiso, Wright State, Youngstown State, Fairfield, Marist, Niagara, Rider, Siena, Ball State, Bowling Green State, Central Michigan, Eastern Michigan, Kent State, Western Michigan, Creighton, Drake, Evansville, Indiana State, Wichita State, Eastern Kentucky, Murray State, Southeast Missouri State, Tennessee-Martin, Tennessee State, Bucknell, Davidson, Georgia Southern, St. Mary's, and San Diego.

VISITING TEAMS: Boise State, Fresno State, Louisiana Tech, Utah State, Hartford, Maryland-Baltimore County, Montana State, Gardner-Webb, Liberty, Cal State Fullerton, Cal State Northridge, Pacific, UC Irvine, UC Riverside, Delaware, George Mason, Georgia State, Hofstra, Northeastern, Virginia Commonwealth, Butler, Cleveland State, Detroit, Green Bay, Canisius, Iona, Loyola (Md.), Manhattan, Saint Peter's, Akron, Buffalo, Miami (Ohio), Northern Illinois, Ohio, Toledo, Morgan State, Bradley, Illinois State, Missouri State, Northern Iowa, Southern Illinois, Fairleigh Dickerson, Austin Peay, Eastern Illinois, Jacksonville State, Morehead State, Tennessee Tech, Appalachian State, Elon, North Dakota State, and South Dakota State.

City of San Jose

The skyline of downtown San Jose

Situated at the hub of Silicon Valley is San Jose – the third largest city in California and the 10th largest in the nation. San Jose, strategically located at the sunny, southern tip of the San Francisco Bay, is surrounded by rolling hills and striking mountains. San Jose’s vibrant and growing downtown is the setting for San Jose State University and the focus for important financial, commercial and arts communities.

“ San Jose is a confident and exciting city, full of optimism and opportunity. We treasure our past. We embrace our diversity. We nurture our future, in our children and through stewardship of our resources. People are proud to live here. Our city is committed to sustaining and improving the quality of life in every neighborhood, for every resident, now and in the future.” – www.sanjoseca.gov

San Jose offers a neighborhood feel in a metropolitan environment.

Regional growth and stability are complemented by an active cultural life. San Jose is the home of the Silicon Valley High Technology and the Children’s Discovery museums, the San Jose Museum of Art, San Jose Symphony, the San Jose-Cleveland Ballet, numerous galleries and arts centers, Opera San Jose, the Winchester Mystery House and other respected professional

and community group theater groups. Light rail and historic trolley lines, the 18,000-seat HP Pavilion at San Jose, convention facilities, shops and a diverse night scene add to the excitement. Reflecting the cultural richness of the community is a wide range of restaurants.

A reason the South Bay has grown so dramatically is its quality of life. The mild climate encourages an active and casual lifestyle. There are more than 100,000 acres of land for biking, rollerblading and other outdoor activities. Boasting nearly 300 days of sunshine and an average sum-

- 30 minutes from the Pacific Ocean
- Population - 945,000
- Average annual household income of \$84,857 according to *Money* magazine
- One of the top-25 “brainiest” cities in the country
- More college graduates per 100 residents than any other major U.S. city
- More home owners than any large city in the country
- Worker productivity is twice the national average
- Best public safety record of any large metropolitan area in the United States the last 10 years.
- International airports – San Jose, San Francisco and Oakland

mer temperature of 74 degrees, San Jose symbolizes the best California has to offer. The region’s 1.6-million residents enjoy recreational and entertainment opportunities year-round. Within a short drive are San Francisco, beaches from Santa Cruz to Carmel, the California coastal redwoods, Lake Tahoe and Yosemite National Park.

San Jose State University will host the 2010 NCAA Division I Men’s Basketball Championship First & Second Round at the 18,200-seat HP Pavilion in downtown San Jose.

San José State provides a comprehensive university education, granting bachelor's and master's degrees in 134 areas of study. From its beginnings as a normal school to train teachers for the developing frontier, SJSU has matured into a metropolitan university. Quality teaching and small classes are a priority at SJSU, where tenured professors teach introductory as well as advanced courses.

One of the 200 top research universities in the nation, SJSU offers rigorous course work and research opportunities to more than 30,000 undergraduate and graduate students in eight colleges.

Located in the heart of the Silicon Valley, this university has aided the development of the computer industry and the resulting technological advances in our nation by providing the largest source of engineering, science and business graduates to Silicon Valley companies.

Graduating about 7,000 students annually, San Jose State University also provides the professional infrastructure for the region – from teachers to social workers to artists to law enforcement officers to nurses. The terms, 'leaders and professionals,' describe not just the types of graduates who earn their degrees at San Jose State, but also the roles they assume in their communities and in their fields of endeavor.

One strength of the academic program is the broad general education curriculum that brings common elements -- critical thinking, writing and communication skills, and cultural pluralism -- to diverse studies. Academic strength also is seen in the university's nationally-recognized programs.

In each discipline, quality teaching remains a priority. Tenured faculty teach introductory as well as advanced courses with an emphasis on small classes. Learning facilities include computer-equipped classrooms, the Western world's only undergraduate nuclear science facility and North America's largest Beethoven Center. Focusing on applied research, faculty receive a growing number of contracts and grants each year. From Moss Landing Marine Research Laboratory to the NASA Ames Research Center, faculty are exploring everything from the depths of the ocean to the surface of Mars.

San Jose State University also finds strength in its diversity. For first-generation students, it is a gateway to economic independence and social mobility. It is also an incubator of cultural and intellectual development and an opportunity for lifelong learning. Students range in age from first-time freshmen to college transfers to professionals seeking additional education. Student demographics – with ethnic pluralism – provide the benefits of multiple cultures and diverse student interests and activities.

Dr. Jon Whitmore University President

Dr. Jon Whitmore was named President of San Jose State University in April 2008 with a start date in August 2008.

Dr. Whitmore, whose Ph.D. is from the University of California, Santa Barbara in theatre history, returns to California after five years (2003-2008) as the Texas Tech University president and a professor of theatre.

His distinguished professional history in academia began in 1967 at Washington State University. Positions at Highline Community College in Seattle and the University of California preceded an 11-year tenure (1974-1985) at West Virginia University where he gained full professorship and was Interim Dean of the College of Creative Arts. Dr. Whitmore spent five years (1985-1990) at the University of Iowa as the Dean, Faculty of Arts and Letters and a professor of theatre.

He was the Dean of the College of Fine Arts, the Effie Marie Cain Regents Chair and a professor of theatre at the University of Texas (1990-1996) and the Provost and a professor of theatre at the University of Iowa (1996-2003).

The native of Seattle, Wash., earned his bachelor's and master's degrees in speech from Washington State University. He and his wife, Jennifer, have a son, Ian, enrolled at the University of Iowa, and daughter, Amy, enrolled at Vanderbilt University.

San Jose State University

The Campus Village

In the fall of 2005, San Jose State University opened the doors of Campus Village to more than 2,279 students, faculty and staff.

Positioned on Tenth Street between San Carlos and San Salvador on the southeast corner of the main campus, the Campus Village will be a gateway to incredible academic resources and campus activities, the excitement of downtown San Jose, the opportunities of Silicon Valley, and some of the world's greatest recreational areas.

The Campus Village will include three buildings featuring apartment and suite-style living accommodations and a typical college dormitory experience. Campus Village will include recreational and study areas, a full-service computer lab, wireless internet access, an interactive gaming center, laundry facilities, meeting rooms, retail stores and underground parking for 700 vehicles.

Fully equipped nearby recreational facilities offer residents space to work out, swim, play basketball, volleyball, ping-pong or pool.

Hassle-free access to the main campus is another asset to the Campus Village. Walking to the Student Union or to The Event Center, home for the San Jose State University men's and women's basketball and women's volleyball teams, will be five minutes or less. Residents also can walk or bicycle to the Dr. Martin Luther King Jr. Library without crossing any streets.

The Campus Village anchors the southeast corner of the university's skyline.

The Dr. Martin Luther King, Jr., Library

The Dr. Martin Luther King, Jr., Library, located on the main campus of San Jose State University opened in August 2003.

A first-of-its-kind collaboration between a city and a university, the \$177-million, 475,000 square-foot library provides a center for life-long learning. Students, faculty and the community have access to the information they will need for educational and personal growth throughout their lives.

The 10-floor library features:

- 3,623 seats
- 1,800 seats wired for the internet
- 400 public computers
- 135 databases of information
- 4 computer instruction laboratories
- 112 workstations available in the computer instruction labs
- 37 group-project rooms

The collaborative design provides many opportunities for academic, cultural and community programs. Multilingual and special collections for San Jose's diverse ethnic groups are available. An adaptive technology area assures all people have the ability to access the information and databases available.

Students can walk from class to the library for study sessions and research work without crossing a street.

A nationally-acclaimed university:

• 10th best regional public university in the western United States – 2006 *U.S. News & World Report*, "America's Best Colleges"

• One of the top-100 nationally for the greatest number of Hispanic bachelor's degree graduates – *Hispanic Outlook in Higher Education*, "Top 100 Colleges for Hispanics," May 7, 2007.

Standing out from the rest

• San Jose State is the number one supplier of engineering, computer science and business graduates to Silicon Valley, the world's high tech capital.

• San Jose State awards nearly \$60-million in financial aid to 13,000 students each year.

• The Metropolitan University Scholar's Experience (MUSE) is a program aimed at helping first-year students succeed on campus. More than 1,000 incoming students participated in 2002-03.

• The annual Career Expo provides recruitment opportunities for nearly 2,000 students. In 2004, the university's Career Center was named one of the four best such facilities in California by the California Career Education Association. Over 300 employers visit the university annually to recruit students for available positions.

• San Jose State is believed to be the first university in the country to create a Mexican-American Studies Department.

• The nationally-recognized animation program is a collaborative effort between SJSU and technology, entertainment and telecommunications industry partners.

The Event Center

The Event Center, located in the heart of the San Jose State University campus on the corner of Seventh and San Carlos streets, is the home of the Spartan basketball teams.

The \$36-million facility is comprised of The Event Center and an Aquatics Center. Students, faculty and staff members, alumni and the surrounding communities use the facility.

Groundbreaking occurred October 1, 1986. The Aquatics Center opened in May, 1988. Originally named the Recreation and Events Center, The Event Center opened in May, 1989. The first intercollegiate athletic contests in The Event Center were the Spartan basketball season openers on November 24, 1989.

The arena can seat 5,000 for athletics events and 5,600 for concerts. The arena is large enough to attract major performing artists, yet small enough to provide a personal experience for everyone.

In December 2003, The Event Center playing surface was renamed Walt McPherson Court in honor of San Jose State University's most successful men's basketball coach. New locker facilities also were part of a comprehensive SJSU Athletics capital campaign project. In 17 seasons under McPherson from 1941 through 1960, the Spartans won 264 games, won three conference championships, played twice in the NAIA Tournament and made the school's first NCAA Tournament appearance in 1951.

Also in the recreation area of The Event Center are 10 racquetball courts, a large weight room, a mini-gym, and an aerobics room.

The Aquatics Center swimming pool is home for the San Jose State University women's swimming team. The pool is one of the largest pools ever constructed in the state of California. The pool dimensions are 200 feet long and 75 feet wide.

Major Performers at The Event Center

- The Artist (a.k.a. Prince)
- Hank Williams, Jr.

Walt McPherson is the first San Jose State men's basketball coach to lead the Spartans to post-season action.

Tom Bowen, Director of Athletics

Tom Bowen was named San Jose State University's director of intercollegiate athletics on December 20, 2004. Under his leadership and with his vision for the department, San Jose State has established itself as a viable Division I-A intercollegiate athletics program with proven athletics, academic and financial successes to his credit.

At the core of Bowen's mission for San Jose State University athletics is building a "Culture of Champions" academically, athletically and in the community. The Notre Dame alum has overhauled the department's infrastructure; invested resources both in external and internal operations; initiated an enhanced website presence; and expanded marketing, promotions and advertising opportunities with the creation of Spartan Sports Properties.

With his fund raising acumen, Bowen has led the Spartan Foundation - the department's fund-raising component - to unprecedented development heights with \$3.0- million during the last two annual fund drives.

As an integral member of the University's presidential staff, he has created new short and long-term revenue streams for intercollegiate athletics and many other campus extra-curricular activities. The university has benefitted from Athletics' increasing visibility, receiving record donations particularly in 2006-07.

In 2007-08, the men's basketball team had its best win total since the 2001 season. Women's gymnastics went to NCAA post-season action. Women's water polo was ranked seventh in the final national coaches poll. San Jose State capped the school year with a budget surplus for an unprecedented third year in a row and was cited as one of 12 Division I

universities cited for Overall Excellence in Diversity in a national study by Texas A&M University on behalf of the NCAA.

In 2006-07, football had its finest season in nearly two decades capturing the New Mexico Bowl championship. Women's cross country and women's water polo, ranked sixth nationally in the final coaches' poll, turned in their best record in years. There were All-American performances in football and women's water polo. Men's basketball, football, women's swimming, women's volleyball and women's water polo players competed in national team or individual national competitions. The 2007 season marked the second year in a row a Spartan won the Western Athletic Conference women's golf individual title.

He has appointed new head coaches in 10 sports including

George Nessman in men's basketball. In 2005-06, San Jose State won the Western Athletic Conference women's golf championship, recorded its highest finish ever at a NCAA regional championship in women's gymnastics, produced seven teams out of 16 with its best conference finish in years, and had WAC Coaches of the Year in women's golf and softball.

Bowen's vision for student-athlete success and excellence led to the creation of a Student Success Services component. Academic Progress Rate (APR) scores as measured by the NCAA have risen steadily under his watch.

Bowen came to San Jose State after serving three years as the Director of Community Affairs for the San Francisco 49ers of the National Football League. He directed all of the team's fund-raising activities and was responsible for alumni and current player participation in the community. Also serving as the executive director of the 49ers Foundation, San Francisco was the first NFL franchise to implement an annual giving program.

His Division I experience at the collegiate level includes athletics administration positions at the University of California and Saint Mary's College in Moraga, Calif. As an assistant and associate director of athletics at the University of California from July 2000 through September 2002, he was responsible for athletics fund-raising. Bowen was credited with developing the first comprehensive planned giving program for the Golden Bears.

At Saint Mary's College, he was the Director of Foundations and Corporate Relations from May 1995 to January 1997 before being appointed to an associate director of athletics position by the president of the college. His grant proposal acumen helped raise \$6.1-million in academic funding for the institution. From January 1997 through April 2000, he managed the athletics department's budget, directed a corporate sponsorship program and interacted with the academic senate, faculty and university personnel on student-athlete issues.

His first professional leadership appointment in athletics was at De La Salle High School in Concord, Calif. From 1987 through 1995, he held the positions of assistant football coach and athletics director.

He is a Level 2 certified member of the College Athletic Business Management Association (CABMA), the National Association of Collegiate Directors of Athletics (NACDA) and the National Society of Fund Raising Executives. Bowen was named to the NCAA Football Issues Committee in 2008.

The 1983 graduate of the University of Notre Dame played high school football at Moreau High in Hayward, Calif. He majored in theology/sociology and spent six years studying for the priesthood with the Holy Cross Fathers. Bowen went on to earn a master's degree in administration/education from the University of San Francisco in 1990.

An active member of the Bay Area community, he was named to the 2008 San Jose Mercury News' Top-25 Most Powerful Sports Figures in the Bay Area. He serves on the board of the San Jose Sports Authority. Currently, an adjunct professor at the University of San Francisco School of Sports Management and at San Jose State University's Department of Kinesiology, he also was a senior faculty member of the Capital Campaign Institute based in Minneapolis, Minn., from 1996 through 2002. He continues to speak before major corporations headquartered locally on the topics of leadership, management and motivation.

The Denver, Colo., native and his wife, Mia, are the parents of three children.

Strength & Conditioning

The Koret Athletic Training Center

The Koret Athletic Training Center, opened in November 2001, is a state-of-the-art facility that encompasses over 10,000 square-feet of training space and is located adjacent to Spartan Stadium, the athletic locker rooms and the football practice field.

The Koret Athletic Training Center also contains a 1,000-square-foot rehabilitation and training room that services physical therapy and sports-specific rehabilitation. The facility enables the sports medicine staff of athletic trainers, doctors, and physical therapists to provide the best possible care to help prevent and rehabilitate injuries.

“Our Philosophy”

- We teach a hands-on approach where the student-athlete is expected to develop a comprehensive understanding of not only the How’s, but also the Why’s of our program.
- We teach correct movement patterns to optimize efficiency and performance.
- Our program design is centered on ground-based, free weight, multi-joint movements that will transfer to the playing field and keep our student-athletes out of our sports medicine facility.
- Our primary concern is the development of speed in all our sports.
- We develop speed and flexibility through strength.
- Our speed program consists of functional and straight-line speed training. Functional means acceleration, deceleration and change-of-direction work.
- We train through an entire range-of-motion in all lifts to enhance active flexibility, develop strength to prevent injury, and unlock joints with mobility issues.
- Olympic-based movements are utilized for speed of movement, active flexibility and dynamic stability.
- Squats and deadlifts have a permanent home in our program for developing hip strength and back stability. Single-leg variations are used to fix strength imbalance and lateral deficits.

“The Koret Athletic Training Center is one of the ‘crown jewels’ of the San Jose State University athletics program. The sheer size of the facility stops you in your tracks. We have everything a strength and conditioning program could conceivably need at our fingertips. Our student-athletes and coaches are truly blessed to have such a beautiful facility.” – Chris Holder, San Jose State director of strength & conditioning

Jeff Garcia Hall of Champions

The Jeff Garcia Hall of Champions is the latest addition to the San Jose State Athletics Department. Located in the Koret Athletic Training Center, this interactive display features great athletes, great teams, great event and moments in San Jose State Athletics history. Former Spartan athletes that became famous after graduation, great donors, great coaches and administrators are on display. A larger-than-life sized Spartan mascot is located outside the Hall of Champions. Also displayed in The Jeff Garcia Hall of Champions is the San Jose State Sports Hall of Fame which includes over 300 former players and coaches.

The Jeff Garcia Hall of Champions is located inside the Koret Athletic Training Center.

Jeff Garcia played his 14th season as a pro in 2007.

"I am excited to be able to give something of this magnitude back

to San Jose State University," Garcia said in 2001. "They have been such an integral part in my life. I am just happy to be at a point in life that I can do something like this....My family and I are proud to create this legacy that will always serve as a reminder of how much San Jose State means to me."

"San Jose State has been a stepping stone that has provided me an education, a degree and of course, the tools I needed to be successful in the NFL." – Jeff Garcia

Garcia was a quarterback on the 1991, 1992 and 1993 San Jose State teams. As a sophomore, he was third nationally in passing efficiency. He led San Jose State to its first win in school history over a Big Ten Conference team, the University of Minnesota, and went on to receive honorable mention All-America recognition in 1992. The school record holder for total offense with 7,274 yards was named the Outstanding Offensive Player at the 1994 East-West Shrine All-Star Game in Palo Alto, Calif.

Professionally, he played five seasons (1994 through 1998) for the Calgary Stampeders of the Canadian Football League, was a four-time all-star and led the team to the 1998 Grey Cup championship. Garcia joined the San Francisco 49ers in 1999 and took the team to playoff appearances in 2001 and 2002. He was a Cleveland Brown in 2004, with the Detroit Lions in 2005, led the Philadelphia Eagles to the 2006 National Conference playoffs and is the starter for the Tampa Bay Buccaneers this season. Garcia earned his undergraduate degree as a business administration major from San Jose State University through the National Football League's Continuing Education Program.

An interactive display features Spartan highlights.

The Hall of Fame has more than 350 inductees.

San Jose State's 10 NCAA team championships are featured in one display.

Neil Parry's inspirational story can be seen in the Jeff Garcia Hall of Champions.

Athletics Facilities

The San Jose State University women's volleyball and women's gymnastics teams compete in the recently renovated Spartan Gym located on the main campus. Every seat places the spectator on top of the action.

Muni Stadium (top) and Blethen Field (below) are the two homes of the San Jose State baseball team. The facilities are across the street from one another and a short walk from Spartan Stadium.

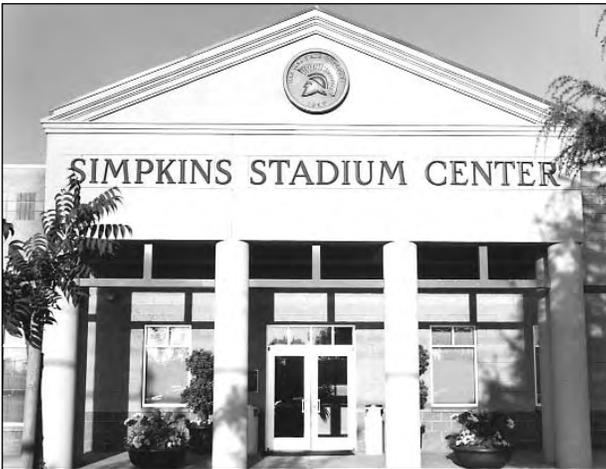

Spartan Stadium also serves as the home for the San Jose State University men's and women's soccer teams. The stadium has been the site of the NCAA Women's College Cup and Women's World Cup soccer.

The men's and women's golf teams play at outstanding courses within a 30-mile radius.

Athletics Facilities

The football offices, team meeting rooms, Student Success Services personnel and Scott Gadway Academic Center are in the Simpkins Stadium Center, which is located between Spartan Stadium and the Koret Athletic Training Center.

Spartan Stadium is the home of the San Jose State University football team. "Spartan Stadium is a great place to play," says Dick Tomey, head coach of the Spartans.

The San Jose State Softball Field is an on-campus facility located across the street from Spartan Stadium. Barbeques behind the outfield fence are a very popular activity.

The San Jose State University women's water polo team competes at the Aquatics Center located on the main campus.

The Division of Intercollegiate Athletics is housed in the Alan B. Simpkins Intercollegiate Athletics Administration Building. The street address is 1393 S. 7th Street, next to the corner of 7th and Alma.

The Aquatics Center, across the street from The Event Center, is the home of the women's swimming and diving team. There is plenty of pool area for recreational swimming.

Student Success Services

Today's Spartan student-athlete has more opportunities to succeed academically than ever before. Located in the Simpkins Stadium Center, the Scott Gadway Academic Center was dedicated in January 2003. Here, student-athletes have a place to study, work with tutors, utilize computers, seek academic advice and achieve their academic goals.

The Scott Gadway Academic Center is a gift from alums Stan and Marilyn Gadway, to honor their late son, Scott, a 1991 San Jose State graduate who majored in aeronautics. He died in a 1996 skydiving accident.

The facility's spirit is echoed at its entrance:

"May all students who use this room share Scott's love and lust for life and his desire to be the very best that one could be in every pursuit."

Those who are great don't have an offseason.

Greatness is achieved through hours in the weight room and on the court.

Greatness is never settling for the status quo and going beyond what is expected of you.

Greatness is the new standard of excellence we have set for our schools, for our student-athletes, and for ourselves.

Notes to the Media

Credential Requests: Press table, photo, and scouting credential requests should be directed to: Lawrence Fan, Sports Information Director. Credentials are limited to working press filing game stories, accredited representatives of the media and personnel assigned by San Jose State University.

Directions to The Event Center: Walt McPherson Court in The Event Center is located on the corner of Seventh and San Carlos streets. Easiest freeway access is Interstate 280. Take the Seventh street exit and follow the signs to San Jose State University.

Media Parking: Parking is available at the San Jose State University Seventh Street garage. Arrive at least an hour before tipoff to avoid congestion. Television crew members involved with play-by-play telecasts should park the production truck at the Center's loading dock a minimum of five hours before tipoff. Play-by-play television contractual arrangements must be made with the sports information office in advance.

Telephones: POTS telephone service is available in the press room adjacent to the playing floor. For commercial radio stations, ISDN and/or regular dial lines are available at a courtside location. When placing a long-distance call from Walt McPherson Court, dial "7" and call "COLLECT."

Statistics & Services: Complete game statistics and play-by-play accounts will be distributed as soon as they become available. FAX service, wireless internet access at courtside and in the media work room and ethernet connections are available.

Photographers: The photography areas at The Event Center are limited to the baseline areas at each end of the floor. No standing during live-ball situations. Courtside work stations are available with advance notice.

Strobe lights: Photographers interested in using strobe lights must secure joint permission from The Event Center and the sports information office. Photographers are not allowed in the catwalks above the court during the game.

Scouts: Passes are issued to scouts in accordance with conference and NCAA guidelines. Advance notice is appreciated.

Press Room Food Service: Typically, soft drinks and light foods are available in the media work room kitchen. Media members can purchase solid food from one of The Event Center's concession stands located on the mezzanine level.

WAC Men's Basketball Teleconference: The Western Athletic Conference will hold a weekly teleconference every Monday beginning January 5 and running through March 2. The teleconference begins at 9:30 a.m. (PST). Head coaches from each school will be available for a 7-minute time period to preview the upcoming opponent and answer questions from the media. In addition, the Player of the Week will be announced.

The number to call is (913) 312-9303. Identify yourself and your outlet to the operator and inform the individual you wish to participate in the WAC Men's Basketball Coaches' Teleconference. There will be a replay of the complete teleconference made available around 2:00 p.m. (PST) the same day. Dial (402) 280-9027 or go to the WAC's website at www.wacsports.com and click on multimedia.
