The six-match winning streak is the longest since the 2001 season when the team won eight consecutive matches.

## Trent Kersten Head Coach

Trent Kersten begins his second year at the helm of the Spartan program with the 2021-22 school year after navigating through a pandemic and different type of season his first year.

Kersten lead Spartans to a 7-9 overall record as team played a Mountain West only schedule in the Spring of 2021. San José State was the only team in the conference that played all 16 matches scheduled.

Kersten was named the eighth head coach of the San José State women's volleyball program in February of 2020. He came to San José State after five seasons (2015-19) as a member of the TCU coaching staff where the team played in the postseason four of the five years. As the Recruiting Coordinator, his 2019 class was ranked fifth in the nation by Volleyball Magazine and sixth in the nation by Prep Volleyball.

Kersten played three seasons at UCLA under legendary men's coaches Al Scates and John Speraw, the current USA Men's National Team Head Coach. A walk-on, he was a three-year starter and earned a scholarship during his playing career. A 2015 All-MPSF honorable mention selection, he ranked among the nation's top-15 in hitting percentage (.387) and blocks per set (1.08) his final year.

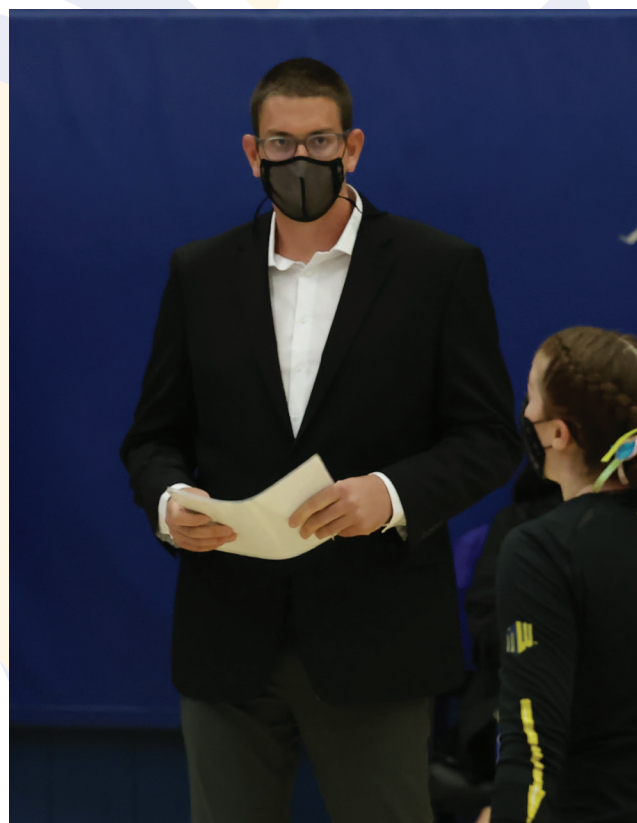

"Trent has my strong and enthusiastic support for this opportunity because of the integrity and work ethic he demonstrated as a player at UCLA and the passion and innovative thinking he brings to his coaching career. I am so proud of what he has accomplished in such a short time. The drive and thoughtfulness he brings to teaching is nothing short of inspirational. Congratulations to San José State and the women who will play for him. To the parents of those women, know that I would be honored to send my own daughters to play for him. I can offer no higher praise," said Speraw.

As part of the USA Volleyball High Performance programs, he has assisted in developing athletes ranging in ages from 12-18. Kersten's 2019 team won a gold medal at the High Performance Championships. He will coach the 2020 Youth National Team.

During his undergraduate years, Kersten worked in the UCLA Recruiting Department during the summer of 2014 and was a lead coach for three summers at the UCLA Summer Volleyball Camps.

Kersten has extensive experience working with club teams in California and Texas. He has been responsible for managing coaching staffs and working with budgets for each team.

Kersten graduated from UCLA in June of 2015 with a bachelor's degree in geography and environmental studies.
