San Diego-San José State Postgame Notes

San José State improved to 5-2 with Saturday's victory, the program's best record through seven games in 15 years (also started 5-2 in 2004-05).

The 88-82 win marked the program's first victory over San Diego since Dec. 6, 1982 (98-55).

The Spartans have won their first four home games of the season for the first time since the 2014-15 campaign (won first six).

San José State's four-game winning streak is the program's longest since it won five straight in the 2015-16 season.

SJSU had five scorers finish in double figures for a second consecutive contest.

Sophomore Ayzhiana Basallo is now averaging 23.1 points and 7.0 assists per game to lead the Spartans.

Basallo is leading the nation in both the total points (162) and assists (40) categories.
