2007 Outlook

The San Jose State volleyball program begins a new era with the 2007 season as Oscar Crespo takes over the reins of the program and brings a new standard to the Spartans.

"I believe in building a solid foundation with goals and values," said Crespo. "This team will set the standards for future teams to reach, and the attitude starts now with the players currently in the program."

The 2007 Spartans return four starters and 11 players from last year's 19-12 team that reached the semifinals of the Western Athletic Conference Tournament. Leading the list of returnees that will help Crespo set his high standards are seniors Jennifer Senftleben and Keri Anglin and juniors Colleen Burke and Niki Clement.

Senftleben enters the season as one of the top kill leaders in Spartan history. She is one of 10 players to record 1,000 or more career kills and is currently seventh all-time with 1,274 kills. Senftleben led the Spartans in kills in 2006 with 454, 4.05 per game.

Anglin returns for her second season as a member of the Spartan team. She started on the outside a year ago but moved to middle blocker in the middle of the season. Anglin averaged 2.11 kills and was named Academic All-WAC.

Burke and Clement were both second team All-WAC selections in 2006. Burke brings a wealth of experience to the middle blocking position for the Spartans. A two-year starter, she led the team in hitting last season with a .336 hitting percentage, good for the fifth-best percentage all-time. She averaged 2.96 kills and 0.78 blocks per game and was named Academic All-WAC.

Kristal Tsukano (left) and Thao Pham are the top-two returning defensive players.

Clement started the 2006 season at middle blocker but moved to outside hitter and will begin this season on the outside. Last year, she led the team in blocking with 97, 0.88 per game, and averaged 3.64 kills per game.

"Our seniors and juniors will be asked to step-up and be leaders this season," said Crespo. "This group of players will have an impact on our team this year and will be instrumental in being leaders and setting our standards in the gym."

On the right side, Amber Biddle and Nia Freeman will look to compete for time on the court. Biddle played her best matches of last season during the WAC Tournament. Freeman missed the 2006 season due to injury but was a key contributor during the 2005 year.

"I believe the right side is a critical position for any team and that is a position that we will have the most competition," said Crespo. "I would like to see both Amber and Nia compete hard for that right side position."

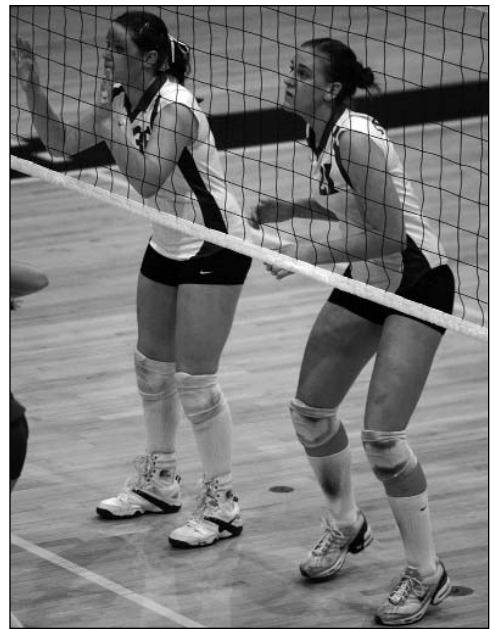

Two positions in question at the beginning of the season are setter and libero. Junior Brittany Collet and incoming freshman Emily Burke appear to be the top-two candidates at setter. Collet is already ninth all-time in assists with 1,390 after two seasons at San Jose State. Burke comes to the Spartan program after leading Archbishop Mitty to the 2006 CIF Championship Match, where the Monarchs lost to Mira Costa, the fourth-ranked team in the country.

"We will have some healthy competition for our setting position," said Crespo. "Brittany and Emily know that is the case and must earn the starting position. I count on both setters to put me in the position to make a tough decision as to who sets for this program."

Competing for the libero spot on the floor will be a tall order for anyone as they must fill the big shoes of Jessie Shull, who departs after setting the San Jose State and WAC career dig records. Sophomore Kristal Tsukano and junior Thao Pham are the top-two returning defensive players from last season. Tsukano averaged 2.18 digs per game and added 22 service aces. Pham had a 1.61 digs per game average.

Also returning for the Spartans this year are Kelly Crow and Courtney Lorusso. Both will push for time at outside hitter. Crow could also see time in the back row after playing most of the 2006 season on defense. Lorusso averaged 3.30 kills last season.

Five newcomers join the San Jose State team and look to push the returning players for playing time on the court.

Colleen Burke (left) and Jennifer Senftleben are the top-two returning hitters for the Spartans.

Brianna Amian comes to the mainland after playing outside hitter for Moanalua High School in Honolulu, Hawai'i, where she was the 2006 Oahu Interscholastic Association Player of the Year. Emily Burke set for Archbishop Mitty in San Jose. Brittany Julian was an outside hitter for Harvard-Westlake High School and was a first-team All-Mission League honoree. Sarah Taylor played at Salinas High School, where she was a first team All-Tri-County Athletic League honoree. Courtney Zellmer played on the right side and set for Oakdale High School, where her team won the Valley Oak League her senior season.

"I expect the freshmen class to come in and not only learn from the older players but to start setting a tradition of what freshmen classes are supposed to be in our program," said Crespo. "I want them to compete for a starting position right away and not just be part of a team."

The Spartans begin the season on the road with tournaments the first three weekends at New Mexico, Arkansas State and Utah Valley. San Jose State opens the home slate with San Francisco and plays at Santa Clara before diving into the heart of the WAC schedule.

"I think our preseason schedule sets us up well for WAC competition," said Crespo. "We are looking to be competitive in the WAC and will not be satisfied if we are not in the top-three. This season we want to be a competitive team and a team that is going to be respected on setting a standard on the West Coast."

Spartan Coaching Staff

San Jose State head coach Oscar Crespo begins his first season at the helm of the Spartan program after being named head coach at his alma mater in March of 2007. Crespo, a 1990 graduate, becomes the sixth head coach in the program's history.

Rooted in fundamentals, Crespo believes in the well-rounded student-athlete. He wants each member of his team to be a successful student in the classroom and a solid athlete on the court.

Crespo spent the past seven years as a member of the University of Nevada volleyball coaching staff. From 2000-01, he was the Wolf Pack's assistant head coach before being promoted to associate head coach prior to the start of the 2002 season.

His primary areas of focus at Nevada were athlete training and development; opponent scouting and evaluation; recruiting; setter development; drill development and individual and team skill evaluation; development of defensive and offensive systems, and statistical analysis of individual and team play.

His recruiting expertise helped the Pack sign the 23rd-ranked volleyball recruiting class for 2006 according to PrepVolleyball.com. Crespo was instrumental in Nevada's

recent success of participating in four of the last six NCAA Tournaments.

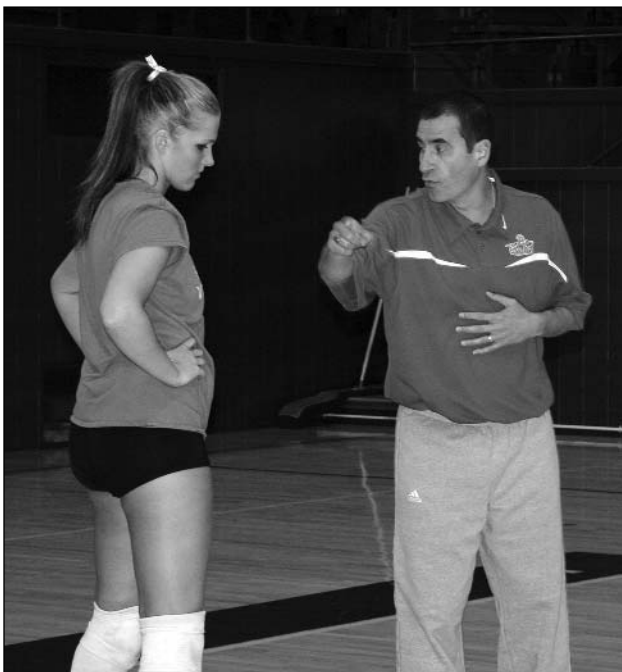

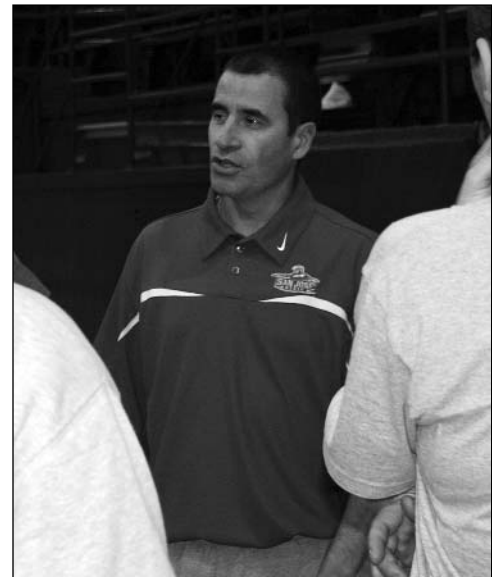

A member of the American Volleyball Coaches Association, USA Volleyball, and the Northern California Volleyball Association, Crespo is an accomplished coach with international experience. He spent the spring of 2002 coaching a USA College All-Star team in France, Holland and Belgium.

In the spring of 2007, Crespo was an assistant coach for the USA Volleyball Federation/Bring It Promotions (Senior) Select Team.

The USA/BIP team, which included current Spartan Jennifer Senftleben and former Spartan Jessie Shull, traveled to Argentina to play the Argentinean National team as well as a few of the top club teams around Buenos Aires.

Crespo's vast coaching experience also includes stints at the University of California (1995-98), Saint Mary's College (1993-94) and De Anza College.

Crespo received a bachelor's degree in art history from San Jose State and was a member of the men's club volleyball team. Crespo is married to Lisa Ice-Crespo, a three-time All-American volleyball player at San Jose State. They have three children: Ryan, Rachel and Karly Nicole.

Western Athletic Conference

In its 46th year, the Western Athletic Conference continues to evolve and features some of the nation's best intercollegiate competition. One thing that remains unchanged is the persistent nature of the nine schools in the WAC to advance their programs to contend at the top levels of the NCAA.

The WAC provides its student-athletes the chance to travel to scenic destinations and gain exposure in some of the nation's most diverse markets. In addition, the WAC's student-athletes work to achieve the highest levels of success with the academic support of their institutions.

The WAC has experienced tremendous success. Over the past five years, it has won 61.1 percent of its bowl games, the best winning percentage of any conference in the nation. In the past five seasons, the WAC has sent a total of 18 teams to bowl games (11-7). In men's basketball, the WAC has sent at least two teams to the NCAA Tournament in 23 of the past 24 seasons. Every current school in the WAC has competed in the NCAA Tournament since 1990. In women's sports, Fresno State softball has competed in every NCAA Tournament ever held while Louisiana Tech has played in all but one in women's basketball.

In 2001, the WAC partnered with ESPN for coverage of football and basketball, giving the conference national exposure from one of the most respected broadcast entities in the country. The WAC officially added WAC.tv in 2006 to give fans streaming internet access to many sports including nearly every home football, volleyball and basketball game played during the season.

The WAC is the sixth oldest among the nation's 11 Division I-A conferences. Its history traces back to July 27, 1962, when the original six-team league of Arizona, Arizona State, Brigham Young, New Mexico, Utah and Wyoming began competition.

The first championship was held in November 1962. Arizona won the men's cross country title and New Mexico followed with the first WAC football title. Arizona finished second in the NCAA College World Series and, less than three years later, Arizona State claimed the league's first NCAA title, winning the College World Series trophy. Rice was the last WAC school to earn an NCAA team title, winning the 2003 College World Series.

Since the WAC's inception, several changes have occurred. UTEP and Colorado State became members in September 1967, while Arizona and Arizona State withdrew on June 30, 1978. The WAC then added San Diego

2006 San Jose State All-WAC honorees (r to l): Niki Clement, second team; Jessie Shull, first team; Colleen Burke, second team.

State (1978), Hawai'i (1979) and Air Force (1980).

The 1990-91 athletic year was the first in which both men and women competed under the WAC name. Fresno State was added in 1992, and then in 1996, the women's programs from Air Force and Hawai'i along with six new schools (UNLV, Rice, San Jose State, SMU, TCU and Tulsa) came into the WAC. Air Force, Brigham Young, Colorado State, UNLV, New Mexico, San Diego State, Utah and Wyoming withdrew on June 30, 1999. Nevada (2000), Boise State (2001) and Louisiana Tech (2001) were added while TCU withdrew following the 2000-01 season. The current membership was established on July 1, 2005, when Idaho, New Mexico State and Utah State joined the WAC after Rice, SMU, UTEP and Tulsa withdrew.

Presently, the WAC crowns champions in 19 sports - eight men's and 11 women's. For the men, there are championships in baseball, basketball, cross country, football, golf, tennis, indoor track and field and outdoor track and field. Championships for women are held in basketball, cross country, golf, gymnastics, soccer, softball, swimming and diving, tennis, indoor track and field, outdoor track and field and volleyball.

San Jose State University

Located at the core of Silicon Valley, San José State University is an exceptional place for hands-on learning, professional development and personal growth. Whether you are a graduate or a friend of the university, there are many reasons you can be proud of San José State. From an award-winning faculty and high-achieving students to cutting-edge programs and growing collaborations with the community and the corporate world, SJSU is on the move as it meets the challenges of the 21st century.

Known for the high quality of its academic programs, its excellent faculty (87 percent hold doctorates or the highest degrees in their academic disciplines), and its diverse and committed student body, San José State successfully educates students to compete in today's complex, high tech and global economy.

For the past six years, San José State has been ranked among the top ten masters-level public universities in the West by U.S. News & World Report's survey of "America's Best Colleges." In the 2006 survey, the College of Engineering is ranked 14th among the nation's Best Undergraduate Engineering Programs (in addition, electri-

cal engineering ranks 11th; civil engineering, 16th; mechanical engineering, 16th).

San José State is the number one supplier of education, engineering, computer science and business graduates to Silicon Valley, the world's high tech capital. The oldest and one of the largest universities in the 23-campus California State University (CSU) system, SJSU attracts students from throughout California, the United States and 100 countries of the world.

Located in the nation's 10th and California's third largest city, San José State had a fall 2005 enrollment of 29,975 students. Approximately 75 percent of the students were undergraduates; 25 percent were graduate students. Almost 59 percent of the student population had an ethnic affiliation. More than 100 different languages are spoken on campus.

Founded in 1857, SJSU is the oldest public institution of higher education on the West Coast. From its beginnings as a normal school to train teachers, the campus has matured into a comprehensive university offering 134 bachelors' and masters' degrees.

San José State is one of the largest public-sector employers in Silicon Valley, with about 2,500 full-time employees and an annual budget of \$472 million (2005-06).

Some 7,862 bachelors' and masters' degrees were awarded in 2005-06 — continuing to support the region by supplying Silicon Valley with more graduates at the baccalaureate and masters' levels than any other school in the nation.

Don W. Kassing President

Don W. Kassing was appointed president of San José State University, the oldest and one of the largest universities in the 23-campus California State University system, in May 2005.

Kassing moved the university forward in several key areas. Under his leadership, the campus is engaged in university-wide strategic planning, with the goal of making San José State University a university of choice by 2010. In February 2006, he accepted the largest single private donation to the university in its history, a \$10 million gift from alumni Donald and Sally Lucas, to create a new graduate school of business.

As president and in his former role as vice president for administration and finance, Kassing led the development, construction and successful opening of two major campus facilities: the award-winning Dr. Martin Luther King, Jr. Library, based on a first-of-its-kind and highly successful partnership with the city of San José; and Campus Village, a state-of-the-art residence complex for students, faculty and staff, the largest such project in the California State University system, and the focus of a renewed sense of community on campus.

Before his presidential appointment, Kassing served for more than a decade as vice president for administration and finance and as chief financial officer. As CFO, he was responsible for all business and financial affairs of the university.

His previous 18 years of experience in higher education includes service as:

- * Vice President for University Relations and Administrative Services - Murray State University (Kentucky)
- * Vice President for Development and Public Affairs - Western State College of Colorado

From 1975 to 1986 he served at Belleville Area College, in Belleville, Illinois, where he taught management and marketing, served as department chair, and for two years was president of the Granite City Campus. Before that he worked for 11 years in private industry, including eight years in corporate finance and operations management for Brown Group Inc. and three years with General Motors Corporation.

Active in the community and the region, Kassing serves on the following boards:

- * San José Sports Authority
- * United Way Silicon Valley
- * San Jose Chamber of Commerce
- * Silicon Valley Leadership Group
- * Joint Venture Silicon Valley
- * Silicon Valley Higher Education Roundtable
- * Western Athletic Conference

Kassing holds a master's degree in business administration and a B.S. in economics from St. Louis University. He is married with three children and five grandchildren.

Some prominent SJSU alumni:

- Ben Nighthorse Campbell of Colorado, the first Native American to serve in the U.S. Senate
- Valerie Coleman-Morris, anchor for CNN Financial News
- Christopher Darden, attorney and member of the prosecution team in the O.J. Simpson trial
- Charles Gingold, vice president, Discovery Channel
- Fashion designer Jessica McClintock
- Actor Omar Benson Miller, seen in the film "8 Mile" and guest-star on TV's "West Wing"
- Jenny Ming, president, Old Navy and The Gap
- Gordon Moore, founder of Intel Corporation
- Tom and Dick Smothers, popular comedy duo
- Amy Tan, novelist, author of The Joy Luck Club, and 2003 winner of the Distinguished Alumnus Award from the American Association of State Colleges and Universities
- Dick Vermeil, former coach of the Philadelphia Eagles, the St. Louis Rams and the Kansas City Chiefs; the Eagles and the St. Louis Rams became Super Bowl champs under his leadership
- Bill Walsh, former head coach of the San Francisco 49ers; Walsh led the team to three Super Bowls

The new Dr. Martin Luther King, Jr., Library, located on the main campus of San Jose State University, opened on August 16, 2003. A first-of-its-kind collaboration between a city and a university, the \$177-million, 475,000 square-foot library provides a center for life-long learning. Students, faculty and the community have access to the information they will need for educational and personal growth throughout their lives.

Among the features of the 10-acre, 10-floor Dr. Martin Luther King, Jr., Library on the northwest corner of the main campus are:

- 3,623 seats
- 4 computer instruction laboratories
- 1,800 seats wired for internet connections
- 37 group-project rooms
- 400 public computers
- 112 workstations available in the computer instruction labs
- 8 built-in projector screens
- 135 databases of information
- 4 pianos

The collaborative design of the new Dr. Martin Luther King, Jr., Library provides many opportunities for academic, cultural and community programs.

Multilingual and special collections for San José's diverse ethnic groups are available. A special adaptive technology area in the library assures all people have ability to access the information and databases available.

Campus Village

In the fall of 2005, San José State University opened the doors of Campus Village to more than 2,279 students, faculty and staff. Positioned on Tenth Street between San Carlos and San Salvador on the southeast corner of the main campus, the Campus Village is a gateway to incredible academic resources and campus activities, the excitement

of downtown San José, the opportunities of Silicon Valley, and some of the greatest recreational areas in the world.

The Campus Village includes three buildings featuring apartment and suite-style living accommodations and a typical college dormitory experience. Campus Village includes recreational and study areas, a full-service computer lab, wireless internet access, an interactive gaming center, laundry facilities, meeting rooms, retail stores and underground parking for 700 vehicles. Fully equipped nearby recreational facilities offer residents space to work out, swim, play basketball, volleyball, ping-pong or pool.

Hassle-free access to the main campus is another asset to the Campus Village. Walking to the Student Union or the main entrance to The Event Center is five minutes or less. Residents can walk or bicycle to the Dr. Martin Luther King Jr. Library without crossing any streets.

Tom Bowen was named San Jose State University's director of intercollegiate athletics on December 20, 2004. Under his leadership and with his vision for the department, San Jose State has established itself as a viable Division I-A intercollegiate athletics program with proven athletic, academic and financial successes to his credit.

At the core of Bowen's mission for San Jose State University athletics is building a "Culture of

Champions" academically, athletically and in the community. To that end, the Notre Dame alum has overhauled the department's infrastructure; invested resources both in external and internal operations; initiated an enhanced website presence; and expanded marketing, promotions and advertising opportunities locally, regionally and nationally with the creation of Spartan Sports Properties.

With his fund raising acumen, Bowen has led the Spartan Foundation - the department's fund-raising component - to unprecedented development heights, capped by a department record \$1.5 million during the 2006-07 fund drive.

As an integral member of the University's presidential staff, he has created new short and long-term revenue streams for intercollegiate athletics and many other campus extra-curricular activities. His initiatives and leadership have created new energy department-wide and throughout the university. The university has benefitted from Athletics' increasing visibility, receiving record donations during the 2006-07 time frame.

In 2006-07, football capped its finest season in nearly two decades, posting a 9-4 overall record and capturing the New Mexico Bowl championship. Women's cross country and women's water polo, ranked sixth nationally in the final coaches' poll, turned in their best record in years. Jeff Garcia Hall of Champions

The Jeff Garcia Hall of Champions is located in the Koret Athletic Training Center. This interactive display features great athletes, great teams, great events and moments in San Jose State Athletics history. Former Spartan athletes that became famous after graduation, great donors, great coaches and administrators are on display. A larger-than-life sized Spartan mascot is located outside the Hall of Champions. Also displayed in The Jeff Garcia Hall of Champions is the San Jose State Sports Hall of Fame which includes over 300 former players and coaches.

The Jeff Garcia Hall of Champions is located inside the Koret Athletic Training Center.

"I am excited to be able to give something of this magnitude back to San Jose State University," Garcia said. "They have been such an integral part in my life. I am just happy to be at a point in life that I can do something like this....My family and I are proud to create this legacy that will always serve as a reminder of how much San Jose State means to me."

Jeff Garcia is entering his 13th season as a pro in 2006.

"San Jose State has been a stepping stone that has provided me an education, a degree and of course, the tools I needed to be successful in the NFL." – Jeff Garcia

Garcia was a quarterback on the 1991, 1992 and 1993 San Jose State teams. As a sophomore, he was third nationally in passing efficiency. He led San Jose State to its first win in school history over a Big Ten Conference team, the University of Minnesota, and went on to receive honorable mention All-America recognition in 1992. The school record holder for total offense with 7,274 yards was named the "Outstanding Offensive Player" at the 1994 East-West Shrine All-Star Game in Palo Alto, Calif.

An interactive display features Spartan highlights.

Professionally, he played five seasons (1994 through 1998) for the Calgary Stampeders of the Canadian Football League, was a four-time all-star and led the team to the 1998 Grey Cup championship. Garcia joined the San Francisco 49ers in 1999 and took the team to playoff appearances in 2001 and 2002. He was a Cleveland Brown in 2004, a Detroit Lion in 2005, a Philadelphia Eagle for 2006 and signed with Tampa Bay for 2007. Garcia earned his undergraduate degree as a business administration major from San Jose State University through the National Football League's Continuing Education Program.

The Hall of Fame has more than 300 inductees.

Neil Parry's inspirational story can be seen in the Jeff Garcia Hall of Champions.

San Jose State's 10 NCAA team championships are featured in one display.

Student Success Services

Today's Spartan student-athlete has more opportunities to succeed academically than ever before. Located in the Simpkins Stadium Center, the Scott Gadway Academic Center was dedicated in January 2003. Here, student-athletes have a place to study, work with tutors, utilize computers or seek academic advice.

The Scott Gadway Academic Center is a gift from alums Stan and Marilyn Gadway, to honor their late son, Scott, a 1991 San Jose State graduate who majored in aeronautics. He died in a 1996 skydiving accident.

The facility's spirit is echoed at its entrance:

"May all students who use this room share Scott's love and lust for life and his desire to be the very best that one could be in every pursuit."

The Student Success Services team will be readily available to help student-athletes achieve their academic goals. Entering her second school year, Cindy Kato, who spent 15 years at the University of Minnesota, is the director of the Spartans' Student Success Services unit. She was the assistant director for learning in academic counseling and student services/intercollegiate athletics. Kato joined the Big Ten school in 1990 as the its original learning specialist for intercollegiate athletics.

Media Information

The 2007 San José State University volleyball media guide is intended to answer any questions you might have about the season and assist the media in coverage during the year. Please contact Amy Villa, Volleyball SID, (408) 924-1216, with questions.

CREDENTIALS

Media credential requests for San José State volleyball home games must be sent to Amy Villa prior to the match. Passes may be picked up at the sports information office or at the Spartan Gym ticket window.

PRESS ROW SERVICES

Pregame notes, statistics and match programs are available prior to the start of each match on press row. Final game statistics will be distributed from press row.

POST-GAME INTERVIEWS

Following a 10-minute cooling off period, post-game interviews will be held at the home bench. Head coach Oscar Crespo and requested Spartan players will be available at that time. A sports information representative will be available for requests.

INTERVIEWS

Interviews with San José State players and coaches must be arranged through the sports information office. Please contact Amy Villa for times and allow 24 hours prior notice for all interviews. No inter-

views will be allowed prior to a match. Home phone numbers for players will not be provided to the media. Players will not accept phone calls without clearance from the sports information staff.

TELEPHONES

The volleyball press row phone number is (408) 924-3348. One analog line is available for visiting radio broadcasts but notice *must be* given prior to gameday for use. Additional phone lines for radio broadcasts must be arranged at least a month in advance, and there may be a cost for additional lines.

PHOTOGRAPHERS

Photographers may work from any side of the court except in front of the team benches and press row. Please be aware that you could become part of the action in Spartan Gym because of the narrow sideline and endline areas. It is recommended that photographers shoot on the sideline opposite of the team benches.

LIVE STATS/VIDEO

All home San Jose State volleyball matches will have live statistics available on the San Jose State web site. Home matches will be streamed live on the Spartan web site through the Gold Zone.
