Brent Brennan returned to San Jose State University on December 8, 2016, as the Spartans' new head football coach.

The 44-year old Brennan was an assistant coach with the Spartans during the 2005 through 2010 seasons under head coaches Dick Tomey and Mike MacIntyre. From 2011 through 2016, he coached receivers at Oregon State. The Beavers played Texas in the 2012 Alamo Bowl and won the 2013 Hawaii Bowl over Boise State. Oregon State had one of the best passing offenses in the Football Bowl Subdivision (FBS) ranking in the top-20 in 2011 (19th), 2012 (20th) and 2013 (3rd).

At Oregon State, he coached All-American wide receivers Brandin Cooks and Markus Wheaton and former school career pass receiving leader James Rodgers. Cooks, the 2013 Biletnikoff Award winner signifying the nation's top wide receivers, completed three prolific seasons with the New Orleans Saints and signed with the New England Patriots during player free agency.

Head coach Brent Brennan with his wife, Courtney, daughters, Blake (left), Casey (far right), and son, Scott.

A San Jose native, Brent Brennan was a San Jose State football assistant coach during the 2005 through 2010 seasons.

Brennan first joined the Spartans in January 2005 after being named San Diego State's quarterbacks coach. He had a variety of duties at San Jose State. Brennan coached wide receivers, tight ends and offensive tackles, was a special teams coordinator and recruiting coordinator.

Five wide receivers he recruited or coached are among the Spartans' top-10 career pass receiving leaders with 146 or more receptions. Brennan coached San Jose State's only two players with at least 200 career receptions and 3,000 career receiving yards, Noel Grigsby and Chandler Jones. He also coached Ryan Otten, the Spartans' career leader for receptions, receiving yards and touchdown catches by a tight end.

As the special teams coordinator, the 2008 Spartans were 20th nationally in kickoff returns and the 2007 team was ninth in punt returns.

Brennan is the eighth former San José State assistant coach to be named the Spartans' head football coach.

A native of San Jose, Brennan began his coaching career at Woodside (Calif.) High School in 1996. He served as a graduate assistant at the University of Hawaii in 1998, at the University of Washington in 1999 and at the University of Arizona in 2000. From 2001 through 2004, he was the receivers coach and recruiting coordinator at Cal Poly.

Brennan was the Spartans' wide receivers coach when San Jose State won the 2006 New Mexico Bowl.

As a college player, Brennan was a wide receiver for the 1991 through 1995 UCLA teams and lettered on the Bruins' 1993 Rose Bowl Squad. He majored in history and graduated from UCLA in 1996.

Brennan is a second-generation Spartan. His dad, the late Steve Brennan, was an end who lettered in the 1967 season. Brent and his wife, Courtney, have two daughters, Blake and Casey, and a son, Scott.

Coach Brennan coached wide receiver James Jones at San José State. Jones went on to a nine-year NFL career and a Super Bowl XLV championship with the Green Bay Packers.

From its inception in 1999, the Mountain West has been committed to excellence in intercollegiate athletics, while promoting the academic missions of its member institutions. The MW continues to cultivate opportunities for more than 5,100 student-athletes each year to compete at the highest level, while fostering academic achievement and sportsmanship.

Over the past 17 years, 42 Mountain West student-athletes have earned NCAA Postgraduate Scholarships. An additional 32 student-athletes have been named MW Scholar-Athlete of the Year and were awarded league-sponsored postgraduate scholarships. Four Mountain West student-athletes have earned distinction as Rhodes Scholars.

Conceived on May 26, 1998, the presidents of Air Force, BYU, Colorado State, New Mexico, San Diego State, UNLV, Utah and Wyoming decided to form a new NCAA Division I-A intercollegiate athletics conference. Boise State University joined the Mountain West in 2011-12, followed by Fresno State and the University of Nevada. On July 1, 2012, the University of Hawai'i became a football-only member of the Conference.

On July 1, 2013, San José State University and Utah State University joined the Conference, bringing to 11 the number of full-time member institutions and 12 football-playing members.

The Mountain West was the first non-automatic-qualifying BCS conference to participate in four BCS bowl games, winning three. In the inaugural year of the College Football Playoff system, Boise State earned the automatic slot into a New Year's Six bowl game as the highest-ranked champion from the Group of Five 5 conferences. The Broncos defeated then 10th-ranked Arizona, 38-30, in the 2015 VIZIO Fiesta Bowl.

Mountain West teams enjoyed a strong year in 2016-17. The MW sent seven teams to postseason bowl games. The league has earned 84 bowl bids including four appearances in Bowl Championship Series (BCS) games and one College Football Playoff (CFP) game since 1999 and holds a 46-38 (.548) all-time record. Entering 2017, the MW has five contracted bowl affiliations – the Las Vegas Bowl, Hawai'i Bowl, Famous Idaho Potato Bowl, Gildan New Mexico Bowl and NOVA® Home Loans Arizona Bowl. The league also has a secondary agreement with the Cactus Bowl.

The MW has produced 1,059 All-America selections among its 18 sponsored sports. A total of 190 MW student-athletes have also earned Academic All-America accolades. Mountain West have captured four NCAA team championships and produced 43 individual NCAA champions in seven sports.

The Mountain West is noted for its geographic diversity. The majestic Rocky Mountain range borders five MW institutions (Air Force, Boise State, Colorado State, New Mexico and Utah State). The high plains of Wyoming (elevation 7,220 feet – the highest Division I campus in the nation) contrast with the desert cities of Las Vegas and Reno, home to UNLV and Nevada, respectively. Fresno State, San Diego State and San Jose State add a West Coast influence with their locations in Central, Southern and Northern California. The inclusion of the Hawai'i football program extends the Mountain West footprint to the beautiful islands in the Pacific Ocean.

A football player in a blue and yellow uniform, number 10, is running with the ball on a field at night. The player is wearing a blue helmet with a yellow and white logo, a yellow jersey with blue accents, and blue pants with "SPARTANS" written in yellow on the side. The player is holding a brown football in his right hand and is running towards the left. The background is a blurred stadium with blue seating and bright lights.

RECORD BOOK

Lloyd Thomas is the first San José State University football player to receive first-team All-America honors. The Spartan played as an end on the 1936, 1937 and 1938 teams that had a combined record of 27-7-1. He was an Associated Press Little All-America as a senior in 1938, one of the organization's first black All-America football players. Thomas also was a three-time letterwinner in basketball at San José State.

*Lloyd Thomas, E
1938 A.P. 1st team*

*Leroy Zimmerman, FB
1939 A.P. 1st team*

Leroy Zimmerman was a small college Associated Press first-team All-America back in 1939 – San José State University's first undefeated and untied season. The Spartans were 13-0 outscoring their opponents, 324-29. Zimmerman was the team's rushing leader, most proficient passer, led the team with eight interceptions and in scoring, and averaged 40.6 yards a punt. He was the first San José State player selected in a NFL draft when the Washington Redskins made him the 58th overall pick in 1940. He would go on to play nine seasons for five NFL teams.

*Dave Chaney, LB
1970 U.P.I. 2nd team
1971 A.P. 1st team
1971 NEA 1st team*

*Charles Pauley, Returns
2002 collegefootballnews.com 1st team
2002 A.P. 3rd team*

*Dwight Lowery, CB
2006 AFCA 1st team
2006 FWAA 1st team
2006 A.P. 3rd team
2007 AFCA 1st team*

Dave Chaney was a two-time All-America linebacker. A United Press International second-team All-America as a junior in 1970, Chaney became the Spartans first major college first-team All-America when he was named to the Associated Press and Newspaper Enterprise Association 1971 teams. His greatest single-game performance was in the Spartans' 13-12 upset win over eventual Rose Bowl champion Stanford on November 13, 1971. Chaney was credited with 17 tackles, two fumble recoveries and intercepted a pass. His jersey number 52 was the first to be retired at San José State. After his college football career, he became a very successful high school tennis coach in Central California.

Charles Pauley was the NCAA Division I-A kickoff return leader in 2002 averaging a San José State single-season school 31.6 yards per return. The collegefootballnews.com first team and Associated Press third-team All-America returned kickoffs of 98 yards against UTEP and 97 yards at Stanford for touchdowns his senior season. Pauley was one of the most versatile players to wear a Spartan uniform. He played wide receiver, returned punts and kickoffs, gained yardage running the football and passed for four touchdowns in his two-year San Jose State career. As a junior in 2001, Pauley set a San Jose State single-game record of 355 all-purpose yards in a 64-45 win over Nevada. On the school's career list, he still ranks sixth for all-purpose running yardage and second in kickoff return average.

Dwight Lowery is San José State University's only player with multiple first team All-America honors. In 2006, Lowery's school record nine interceptions tied for the nation's most and played a major role in the team's 9-4 win-loss record and New Mexico Bowl victory. He became the first San Jose State player to receive American Football Coaches Association (AFCA) and the Football Writers Association of America (FWAA) All-America honors. Lowery repeated as an AFCA All-America in 2007. The New York Jets selected Lowery in the fourth round of the 2008 NFL draft. Now with the San Diego Chargers, he played for the Jets, Jacksonville Jaguars, Atlanta Falcons and Indianapolis Colts.

Did You Know?

San José State was scheduled to play two games in Hawaii to end the 1941 season. The Spartans were in Honolulu when the attack on Pearl Harbor occurred on December 7, 1941. Many players immediately joined the local police force or the armed services. The games against the University of Hawai'i on December 13 and Willamette College of Oregon on December 16 were canceled.

Did You Know?

In 1981 and 1987, San José State was the "mythical champion" of the San Francisco Bay Area. The Spartans defeated both California and Stanford in those two seasons.

* – record later changed by action of the conference. Only on-the-field results are counted.

CEFCU STADIUM

The San José State University football team plays its home games in CEFCU Stadium. Built in 1933, the stadium was known as Spartan Stadium until CEFCU entered into a 15-year naming rights with the University in 2016.

The Spartans won the first football game played in the stadium, 44-0, over San Francisco State, on October 7, 1933. Since then, the Spartans have played 395 games over 81 seasons. The team's 100th win in the stadium came on October 21, 1967, against New Mexico, 52-14. The 200th victory occurred in 2005. SJSU's home field record is 237-141-17 entering 2017.

CEFCU Stadium currently seats 30,456 for football. Two stadium expansions and renovations in the 1980's increased the seating capacity from 18,000 to over 30,000.

A FieldTurf surface replaced natural grass in 2009. The original FieldTurf surface was removed for a new one in May 2017. Two scoreboards - one on the East side and a state-of-the-art videoboard were installed in 2011.

The multi-purpose facility is the site of the school's annual commencement ceremony. Concerts, professional and collegiate soccer, religious convocations, band competitions and high school football games also take place at Spartan Stadium.

Five Silicon Valley Football Classics were held in CEFCU Stadium. Air Force in 2000, Michigan State in 2001, Fresno State in 2002, UCLA in 2003 and Northern Illinois in 2004 were bowl-game winners. The 1999 Women's World Cup and 1999 NCAA Women's College Cup soccer events attracted record-setting crowds.

The largest attendance at a home football game was a 31,681 sellout crowd at the 2003 win over Grambling State. The game marked the first time under the current stadium configuration that San José State had a "sellout" prior to game day.

The largest crowd to attend any event in the stadium was estimated at 37,000 for a ZZ Top music concert.

SAN JOSÉ
STATE
UNIVERSITY

Dr. Mary A. Papazian, a seasoned leader with more than 25 years of teaching and academic administrative experience, joined San Jose State University (SJSU) as its 29th president on July 1, 2016. Papazian is firmly committed to student success; open, transparent and inclusive leadership; fostering a culture of curiosity and discovery; and building enduring campus and community partnerships.

Papazian most recently served as president of Southern Connecticut State University (SCSU) in New Haven, Conn. There, she demonstrated a singular focus on student success, establishing a task force in her first year as president to review practices and develop recommendations for change. Under her leadership, SCSU launched a predictive analytics advising tool and hired additional advisors in key areas to support first-year experience, sophomore, transition programs and degree programs. She developed partnerships with local community colleges to expand advising resources for prospective transfer students and established a summer scholarship program for undergraduate research.

Papazian also served as an exceptional steward, providing a vision for a fundraising initiative that, when launched, will be SCSU's first-ever comprehensive campaign. She secured the campus' first \$3 million gift along with a \$1.2 million bequest to establish its first endowed chair, in Autism and Special Education. Her fundraising efforts supported a new Academic Laboratory and Science Building that opened in fall 2015; expanded international education and study abroad programs; increased research opportunities for undergraduate students, and expanded scholarships to support student recruitment, retention and completion.

Prior to her tenure at SCSU, Papazian was the provost and senior vice president for Academic Affairs at Lehman College of The City University of New York (CUNY), managing a \$70 million budget that supported 450 full-time faculty members and 200 staff members. At Lehman College, she strengthened the research infrastructure by creating a research advisory board, hiring a new director of the Office of Research and Sponsored Programs, and developing a research handbook for faculty.

In addition to her high-level administrative experience, Papazian previously served as the dean of the College of Humanities and Social Sciences at Montclair State University in New Jersey, and associate dean of the College of Arts and Science at Oakland University in Rochester, Michigan. Papazian began her career in higher education at Oakland University, where she was an assistant, associate and tenured professor of English.

Born and raised in Southern California, Papazian holds a bachelor's, master's and Ph.D. in English from the University

of California, Los Angeles (UCLA). She and husband, Dennis R. Papazian, founding director of the Armenian Research Center at the University of Michigan, Dearborn, have two adult daughters.

SAN JOSÉ STATE UNIVERSITY

San José State University, Silicon Valley's metropolitan university, is pre-eminent in broadly educating leaders and professionals for an increasingly complex and global society.

Located in the heart of the Silicon Valley, this university has aided the development of the computer industry and the resulting technological advances in our nation by providing the largest source of engineering, science and business graduates to Silicon Valley companies.

Graduating about 7,000 students annually, San José State University also provides the professional infrastructure for the region – from teachers to social workers to artists to law enforcement officers to nurses. The terms, "leaders and professionals," describe not just the types of graduates who earn their degrees, but also the roles they assume in their communities and in their fields of endeavor.

Tree-lined promenades accentuate the beauty of the San José State campus.

San José State University's place in history is well-established. Founded in 1857, it was the first public institution of higher education on the West Coast. From its humble beginnings as a normal school to train teachers for the developing frontier, it has matured into a master's university offering 191 bachelor's and master's degrees.

The university's 32,000 students study in eight fully-accredited colleges: Applied Sciences and the Arts, Business, Education, Engineering, Humanities and the Arts, Science, Social Sciences and Social Work.

One strength of the academic program is the broad general education curriculum that brings common elements -- critical thinking, writing and communication skills, and cultural pluralism -- to diverse studies. Academic strength also is seen in the university's nationally-recognized programs. Examples include the School of Music, the School of Art and Design, the School of Journalism and Mass Communications, the School of Nursing and the School of Library and Information Science.

In each discipline, quality teaching remains a priority. Tenured faculty teach introductory as well as advanced courses with an emphasis on small classes. Learning facilities include computer-equipped classrooms, the Western world's only undergraduate nuclear science facility and North America's largest Beethoven Center. Focusing on applied research, faculty receive a growing number of contracts and grants each year. From Moss Landing Marine Research Laboratory to the NASA Ames Research Center, faculty are exploring everything from the depths of the ocean to the surface of Mars.

San José State University also finds strength in its diversity. For first-generation students, it is a gateway to economic independence and social mobility. It is also an incubator of cultural and intellectual development and an opportunity for lifelong learning. Students range in age from first-time freshmen to college transfers to professionals seeking additional education. Student demographics – with ethnic pluralism – provide the benefits of multiple cultures and diverse student interests and activities. From residence life to athletic teams to social clubs to co-op jobs – student activities meet the needs of this diverse student body.

More than 7,000 graduates each year apply their San José State degrees to a professional career.

CITY OF SAN JOSE

The skyline of downtown San Jose

Situated at the hub of Silicon Valley is San José – the third largest city in California and the 10th largest in the nation. San José, strategically located at the sunny, southern tip of the San Francisco Bay, is surrounded by rolling hills and striking mountains. San José’s vibrant and growing downtown is the setting for San José State University and the focus for important financial, commercial and arts communities.

Regional growth and stability are complemented by an active cultural life. San José is the home of the Silicon Valley High Technology and the Children’s Discovery museums, the San José Museum of Art, San José Symphony, numerous galleries and arts centers, Opera San José, the Winchester Mystery House and more professional and community theater groups.

Light rail and historic trolley lines, the 18,000-seat HP Pavilion at San José, convention facilities, shops and a diverse

night scene add to the excitement. Reflecting the cultural richness is a wide range of restaurants.

The mild climate encourages an active and casual lifestyle. There are more than 100,000 acres of land for biking, rollerblading and other outdoor activities. Boasting nearly 300 days of sunshine and an average summer temperature of 74 degrees, San José symbolizes the best California has to offer.

The region’s 1.6-million residents enjoy recreational and entertainment opportunities year-round. Within a short drive are San Francisco, beaches from Santa Cruz to Carmel, the California coastal redwoods, Lake Tahoe and Yosemite National Park.

- 30 minutes from the Pacific Ocean
- Population - 1,000,536
- Average annual household income of \$84,857 according to Money magazine
- One of the top-25 “brainiest” cities in the country
- More college graduates per 100 residents than any other major U.S. city
- Worker productivity is twice the national average
- Best public safety record of any large metropolitan area in the United States the last 10 years.
